ISAF Sailor Classification Code – Classification Procedures

Regulation 22.3.5

A submission from the Executive Committee

Proposal

22.3.5 A classification, once issued, shall remain in force for two years, unless the classification is previously changed, suspended or cancelled by the Classification Authority:

(a) because the competitor has submitted a form indicating that his or her classification has changed; or

(b) because the Classification Authority believes it has good reason to do so; or

(c) as a result of an appeal requested by the competitor under Regulation 22.3.6.

However when a competitor would have been classified as Group 2 or 3 but for Regulation 22.2.1(c) the Classification Authority may issue a classification that shall only remain in force up to his 24th birthday.

Current Position

As above.

Reason

To align the clause with the elimination of Group 2.
