

New Definition

A submission from the Peruvian Sailing Federation

Purpose or objective

A new Definition in the RRS for the term 'GATE'.

Proposal

GATE:

A virtual line between two marks that boats have to pass and leave one of them to port or starboard as described in the Sailing Instructions or its addendums.

Current Position

None.

Reasons

1. The term is mentioned many times in Sailing Instructions but in the RRS there is no definition of GATE.
