ISAF Classification Code

Appendix 4, Regulation 22

A submission from the Executive Committee

Purpose or Objective

Deletion of the Classification Code (Appendix 4 Regulation 22) from the ISAF Regulations.

Proposal

Delete the entire Regulation.

Current Position

Regulation 22

Reasons

1. The Executive Committee is of the opinion that ISAF should discontinue providing the service of classification for sailors.

2. The system of classification should not be in the ISAF regulations but provided as a document that can be used by classes and events to provide a similar service if they so wish.
