

New Definition

A submission from the Peruvian Sailing Federation

Purpose or objective

A new wording in the RRS Signals.

Proposal

AP over H

Races not started are *postponed*. **Boats shall return immediately to shore.** Further signals ashore.

AP over A

Races not started are *postponed*. **Boats shall return immediately to shore.** No more racing today.

N over H

All races are *abandoned*. **Boats shall return immediately to shore.** Further signal ashore.

N over A

All races are abandoned. **Boats shall return immediately to shore.** No more racing today.

Current Position

As above.

Reasons

Usually, these signals when hoisted on the RC vessel are for several reasons. No wind, sunset, extreme heat or more importantly, when the boats can be in danger due to electrical storms, heavy winds, tsunamis, etc. The main reason is the safety of the sailors.
