

ISAF Nominated Experts for Technical Course for Coaches

IKA to Propose ISAF Nominated Experts - Regulation 6.3.3

A submission from the International Kiteboarding Association

Purpose or Objective

To allow classes to propose applicant nominations for “ISAF nominated expert” status

Proposal

To allow ISAF Classes to be able to propose individuals for the status of “ISAF Nominated Expert” in line with the Terms of Reference of the Development and Youth Committee – 6.3.3 (a).

Current Position

Only MNAs can endorse applications for consideration as ‘ISAF Nominated Expert’ from ‘ISAF Recognized’ National Training Programmes.

Reason

With the ISAF classes working closely with their national member associations and a number of MNAs not yet having ‘Recognized’ National Training Programmes, the absence of Coaches that are working in these programmes should not stop suitable individuals applying for the ‘ISAF nominated expert’ status if supported by an ISAF Class Association. Current guidelines for the Development and Youth Committee appointments of these ‘nominated experts’ only allow for these individuals to be from ‘ISAF Recognized’ MNAs and this is limiting the potential number and scope of these important personnel.
