

ISAF Nominated Experts for Technical Course for Coaches

IKA to Nominate ISAF Nominated Experts – Regulation 6.3.3

A submission from the International Kiteboarding Association

Purpose or Objective

To allow the IKA to propose applicants for “ISAF Nominated Expert” status.

Proposal

IKA to be able to propose individual applicants for consideration as “ISAF Nominated Experts” to be used to run ISAF Technical Courses for Coaches in line with ISAF Development and Youth Committee terms of reference 6.3.3 (a)

Current Position

Only MNAs can submit nominations for ‘ISAF Nominated Experts’ from existing ‘ISAF Recognized’ National Training Programmes

Reason

With Kiteboarding being a relatively new discipline within sailing, the IKA has been the only Class Association working to establish development programmes with its national member associations, a number of which do not yet have ‘Recognized’ National Training Programmes as part of the ISAF MNA of that country. In the absence of this the IKA is best placed to recommend to the ISAF Training and Development Department the Individual Instructors / Coaches that they know conform to the standards required by article 6.3.3 (a) of the Development and Youth Committee for possible appointment by the ISAF Development and Youth Committee as ‘ISAF nominated experts’, working to deliver the Kiteboarding specific elements of ISAF Technical Courses for Coaches.
