Misconduct and Discipline

Regulation 35.16

A submission from Chairman of the Constitution Committee

Purpose or Objective

Further to the purposes set out in submission 037-14, a change to clarify when the time for making any appeal to the ISAF Review Board commences.

Proposal

Amend ISAF Regulation 35.16 as follows:

35.16 A person who has had a sanction imposed on him by the Disciplinary Commission has the right of appeal against that decision to the ISAF Review Board. Any appeal must be lodged in writing with the Chief Executive Officer within 30 days of being notified of the Commission’s decision, of the publication of the written decision of the Commission.

Current Position

As above.

Reason

The present wording refers to the publication of the written decision. However, in some cases the Commission has the power to delay publication if it is considered appropriate to do so. The above amendment makes it clear that the appeal period starts from the time the person is notified of the Commission’s decision, not some later time when the decision is published.
