

Required Usage of ISAF Training Resources

Offshore Training

A submission from the Chairman of the Development and Youth Committee

Purpose or Objective

To promote and to improve safety in Offshore Training through inclusion of ISAF Training Resource Publications.

Proposal

To make the use of the ISAF Guide to Offshore Personal Safety as an accompanying requirement for candidates to complete appendix G – Training Requirements of the Offshore Special Regulations (OSR), and incorporate this requirement into the next revision of the OSR / ISAF Regulations.

Current Position

None.

Reason

The new Guide to Offshore Personal Safety is based on the Appendix G, the model syllabus. This covers all of the topics required under section 6 of the Offshore Special Regulations (OSR). With ISAF having invested in developing this new publication this resource should be made an accompanying requirement for any candidate undertaking this training at MNA level as authorized in Appendix G of the OSR.
