The Equipment Rules of Sailing

C.4.7 International Measurer

A submission from the Chairman of the Equipment Committee

Purpose or Objective

To remove a definition of a term that is defined in the Race Officials manuals.

Proposal

C.4.7   International Measurer

A person authorised by the ISAF to inspect prototype boats of specific ISAF classes and recognised by ISAF as qualified to assist in equipment inspection at international events for those classes.

Current Position

As above.

Reason

There is no reason to define a term that is already defined in another ISAF document.
