

Olympic Sailing Competition

Decisions

A submission from the Board

Purpose or Objective

To provide certainty for MNAs and sailors over decisions for the Olympic Sailing Competition.

Proposal

Insert new Regulation 23.4 as follows:

Other Olympic Decisions

23.4 All decisions concerning the format, qualification system, and quotas for the 2024 and later Olympic Sailing Competitions shall be determined no later than 31 May in the year following the previous Olympic Sailing Competition. The Board may change this deadline to a later date in order to comply with any schedule or requirements from the International Olympic Committee.

Current Position

None.

Reasons

It is important that all decisions concerning the format, qualification and quotas for the Olympic are agreed well in advance. The current delay in making decisions until during the Olympic quad is detrimental to both sailors and their MNAs.
