The Equipment Rules of Sailing

C.5.4 Personal Flotation Device

A submission from the Chairman of the Equipment Committee

Proposal

Amend as follows:

C.5.4 Personal Flotation Device

Personal safety equipment as specified in the sailing instructions to assist the user to float when immersed in water as required by the rules.

Current Position

As above.

Reason

Particular items of safety equipment may be required by a national authority prescription, the notice of race, the sailing instructions or class rules for example, and not just by the sailing instructions.
