

Youth Sailing World Championships

December Date Change – Regulation 24.5.1

A submission from the Chairman of the Events Committee

Purpose or Objective

Update Regulation 24.5.1 Youth Sailing World Championships

Proposal

Amend Regulation 24.5.1 as follows:

The Championship shall be held annually. It shall start either on the second Saturday of July or ~~27 December~~ **the second Saturday of December** of the year of the Championships and shall finish eight days later.

Current Position

The December 27 start date option has been amended/approved by the Board for the 2016, 2017 events in Auckland and Sanya for alternate, earlier December dates outside of the Regulation.

The Youth Worlds Sub-committee from 2013-2016 recommended this change.

Reasons

1. Access to hotel rooms and better rates.
 2. Travel is less expensive than during peak holiday time the last week of December.
 3. Access to facilities.
 4. Availability of volunteers, officials and coaches
