

Youth Sailing World Championships

Decision Process for Venue Selection – Regulation 24.5.4

A submission from the Chairman of the Events Committee

Purpose or Objective

Update Regulation 24.5.4 Youth Sailing World Championships

Proposal

Amend Regulation 24.5.4 as follows:

- 24.5.4 The decision process and timelines for the Host Member National Authority for the Championships are:
- (a) The venue shall be decided by ~~28 February~~ **1 November** three years before the Championships.
 - (b) The contract between World Sailing and the organizers **and the Host Member National Authority** shall be signed **by 1 December three years before the Championships** ~~not less than two years before the Championships~~; and

Current Position

Existing regulation requiring a decision by February 28, 3 years in advance

Reasons

1. Recent Board policy decision requires the Host MNA to be a party to contracts and for hosts to sign contract immediately after venue selection.
 2. Decision making three years ahead is sufficient- allowing for a bid process and venue selection decision that culminates November 3 years ahead.
-
