

**Classes for the ISAF Youth Sailing World Championship**

Techno 293 Class to Be Added to List of Equipment

A submission from the Techno 293 Class Association

**Purpose or Objective**

To amend the slate of equipment for the ISAF Youth Sailing World Championship by adding Techno 293 One Design with 8.5 sail and rig for Boy's and Girl's Windsurfer.

**Proposal**

Boy's One Person Dinghy – Laser Radial

Girls One Person Dinghy – Laser Radial

Boy's Two Person Dinghy – 420

Girl's Two Person Dinghy – 420

Boy's Windsurfer – RS:X with the 8.5 rig **or Techno 293 with the 8.5 rig**

Girl's Windsurfer – RS:X with the 8.5 rig **or Techno 293 with the 8.5 rig**

Open – 29er

Open Multihull – Hobie 16 with spinnaker or Sienna SL 16

**Current Position**

As above.

**Reason**

To provide a credible, suitable and affordable alternative to the RS:X with 8.5.

Competitors moving from the Techno 293 under 17 division, as selected for the Youth Olympic Games, can progress to the ISAF Youth Championships by adding one sail (8.5), one rig, and one fin to the existing investment in equipment.
