Equipment for the Regional Games

Regulation 25.13.5

A submission from the Chairman of the Regional Games Committee

Purpose or Objective

In light of the equipment decisions taken at the ISAF Mid-Year meeting in Stresa, Italy, Regulation 25.13.5 should be expanded accordingly.

Proposal

Amend Regulation 25.13.5 as follows:

25.13.5 The equipment for all Regional Games shall be chosen from the following classes

- Windsurfing: Funboard, Formula, Mistral, RS:X, Kiteboarding
- Multi-Crewed Dinghy: 29er, 420, 470, Fireball, Flying Dutchman, Lightning, Snipe, 49er, 49erFX
- Keelboat: Etchells, Flying Fifteen, H-Boat, J-22, J-24, Soling, Yngling, Sonar, Star
- Multihull: Hobie 16, Hobie Tiger, Tornado, Nacra 17

However the Executive Committee may approve applications by Regional Games Organizers for the use of other equipment or the introduction of events restricted to specific age groups.

Current Position

As above.

Reason

Even though the final sentence of Regulation 25.13.5 allows Regional Games, with Executive Committee approval, some flexibility with regards to the equipment chosen for their sailing event the newly chosen equipment for the Olympics should be available to the Regional Games without having to seek Executive Committee approval.
