### Current Position

As above.

### Reasons

1. Regulation 24.4.3 and 24.4.9 can be merged into one and this is consistent with Regulation 23.1.4 (Olympic Events and Equipment)
  2. After the approval of submission 090-14, there is no choice of equipment for any of the events and MNAs do no longer have the option to select the equipment to be used at the Championships. Therefore Regulations 24.4.5 (c) and 24.4.7 may be deleted.
  3. As this is a multiclass regatta, the world 'championship' in the name should be used in plural in the same way we use for the ISAF Sailing World Championships.
  4. The word "event" should be used in this regulation to describe a fleet at the Championships, and not the Championships itself.
