

### International Measurers Administration

#### Regulation 31.13.3

A submission from the Chairman of the Race Officials Committee

#### Purpose or Objective

The clarify and refine the requirements for first-appointment as an International Measurer.

#### Proposal

31.13.3 A candidate for appointment as International Measurer shall:

- (a) have acted as an Equipment Inspector in at least two principle events (as defined by the International Measurers Sub-committee) of the Class he is applying for, within the last four years prior to 1 September of the year of application;
- (b) have attended an ISAF International Measurer's seminar within the last four years prior to 1 September of the year of application but not later than 14 October in that year; ~~and~~
- (c) have an intimate knowledge of the relevant Class rules and the ISAF Equipment Rules of Sailing;
- (d) be recommended by the relevant class association or, for Rating Systems, by an ISAF Rating class; and ~~another International Measurer.~~
- (e) have obtained one completed IMSC reference form from an International Measurer who has served at a principal event with the candidate.**

**Candidates who fail the examination may take a new examination, but not within six months after the first one, except in special circumstances. Candidates who fail the examination more than once shall be assessed on an individual basis . The decision whether to allow this or not shall be made by the International Measurers Sub-committee.**

31.13.4 A candidate for re-appointment as International Measurer shall:

- (a) have acted as an Equipment Inspector in two principle events (as defined by the International Measurers Sub-committee) within the last four years prior to 1 September of the year of application; one of the events shall be of the Class or Rating System he is applying for. As an alternative, one of the events may be substituted by one hull prototype measurement of the Class he is applying for;
- (b) have an intimate knowledge of the relevant class or Rating System rules and the ISAF Equipment Rules of Sailing; **and**

- (c) be recommended by the relevant class association or Rating System.

31.13.5 An International Measurer applying for appointment to an additional Class shall:

- (a) have acted as an Equipment Inspector in at least two principal events (as determined by the International Measurers Sub-committee) of the Class he is applying for, within the four years prior to 14 October of the year of application;
- (b) have an intimate knowledge of the relevant class rules and the ISAF Equipment Rules of Sailing; **and**
- (c) be recommended by the relevant class association or, for Rating Systems, by an ISAF Rating class ~~and another International Measurer.~~

Current Position

As above.

Reason

To bring the IMSC system for testing and references into line with the systems in place for the appointment and reappointment of International Judges, International Umpires and International Race Officers.
