

Equipment Rules of Sailing

Bumpkin Definition

A submission from the Chairman of the Equipment Committee

Purpose or Objective

To clarify the definition of bumpkin with regards to its use.

Proposal

Delete and replace ERS F.1.4(c)(ii) as follows;

F.1.4(c)(ii) BUMPKIN

A **hull spar** extending aft of the hull to sheet a sail **mainsail or mizzen** and/or attach **rigging to support a spar.**

Current Position

See above.

Reasons

1. To clarify the definition of bumpkin with regards to its use.
 2. To allow a separate definition for an outrigger.
