Publication of Race Official Appointments

Regulation 18.12

A submission from the Chairman of Race Officials Committee

Proposal

Appointment of Race Officials in International Events

18.12.16 ISAF shall publish a list of all appointments made under this regulation no later than 30 June of each year and shall update the list no later than the end of each calendar year.

Current Position

As above.

Reason

ISAF is publishing race official appointments, but not at specific dates and the lists published have different contents. This submission clarifies when the list should be published and what it should contain. This will provide more transparency about race official appointments.
