International Judges

Regulation 33.11.2

A submission from the Chairman of the Race Officials Committee

Proposal

International Judge

33.11.2 A candidate for re-appointment as International Judge shall by 1 September of the year of application either comply with the requirements of System 1 set out in regulation 33.11.1 with the exception of attending an ISAF Judging Seminar if they have previously done so, or comply with the requirements of System 2, that is to say, within the last four years prior to 1 September of the year of application, have served as a member of a protest committee for at least six principal events, the majority of which shall be fleet racing events. At three of these six events the candidate shall have been a member of an International Jury. Two of these six events shall have been outside the candidate's Group or Member National Authority.

Current Position

As above.

Reason

The change is to permit current International Judges to renew their status under System 1, without the requirement of attending another IJ seminar. The requirement of having passed the IJ exam is sufficient to assure current skills and knowledge of renewing International Judges.
