The Call Book for Match Racing – Delete GEN 1, GEN 2 and UMP 20 Q 1

A submission from the Chairman of Racing Rules Committee

Purpose or Objective
Making the Call Book for Match Racing more user friendly and align the format of the two call books.

Proposal
This submission assumes the submission about restructuring The Call Book for Match Racing is approved.

Delete Calls GEN 1, GEN 2 and Question 1 of Call UMP 20, and insert contents in Introduction to the restructured Call Book for Match Racing as General Principles for Umpire Decisions.

Current Position
Call GEN 1, GEN 2 and UMP 20 Question 1 are calls in the current Call Book for Match Racing.

Reason
One step in aligning the format of the two call books is to create the section 'General Principles for Umpire Decisions' in the Call Book for Match Racing. This section is already part of the Call Book for Team Racing. The contents of the existing calls will remain; this is solely a question about restructuring - no real changes.
