

ISAF Race Officials

Candidates for Seminars and Exams – New Regulation 31.9

A submission from the Chairman of the Race Officials Committee

Purpose or Objective

To ensure that candidates in ISAF examinations are subject to the ISAF Regulations.

Proposal

Insert new Regulation 31.9 and re-number:

31.9 A candidate who attends an ISAF race official seminar or who takes an ISAF examination agrees to be bound by the provisions of the ISAF Regulations. Notice of this fact shall be given to the candidate in advance.

Current Position

There is no current position.

Reasons

There have been recent cases of candidates in ISAF examinations and seminars committing misconduct through cheating. Unless the candidate is already an ISAF race official, the Regulations do not apply to them and this limits ISAF's ability to investigate and impose sanctions where misconduct is proven.
