Racing Rules of Sailing

Rule 87 Change of the Class Rules in the Notice of Race

A submission from The Royal Netherlands Yachting Union

Proposal

Change rule 87

The sailing instructions may change a class rule when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board.

Current Position

The sailing instructions may change a class rule when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board.

Reason

To make clear which class body should give permission and to get in line with the Equipment Rules of Sailing C2.4

Some classes are national classes in more than one country (for example the Olympia Jol) without being an International class. In this case it should also be clear who should decide.
