International Jury Decisions in Respect of Class Rule Infractions

A submission from the International RS:X Class Association

Proposal

International Juries shall treat competitors found to have broken a class rule in exactly the same way as if they had broken a rule within the RRS

Current Position

In Sailing World Cup Events, it is current ISAF Policy to award points penalties to competitors found to have broken a class rule without prior warning.

Reason

The current position devalues the competitor's respect for class rules.
