Racing Rules of Sailing

Appendix L24 Trash Disposal

A submission from The Royal Netherlands Yachting Union

Proposal

Change L24

Boats shall not put trash in the water. Trash may be placed aboard support and race committee official boats.

Current Position

Boats shall not put trash in the water. Trash may be placed aboard support and race committee boats.

Reason

Support and race committee boats are not described in the RRS, official boats are in L22. Why should we restrict rule L24 to undescribed support and race committee boats. It is better to make it easy for sailors to get rid of trash, by example by putting it on jury boats.
