Racing Rules of Sailing

Rule Numbering Appendix B

A submission from the Chairman of the Racing Rules Committee

Purpose or Objective

To number the rules of RRS Appendix B by adding the number of each Part in front of each rule.

Proposal

To add the number of each Part to the front of the each rule on the Parts of Appendix B. For example the rule 13 will become a rule B2.13. (Renumbered Appendix B attached)

Current Position

The rules are listed without Part numbers in front of each rule.

Reason

By adding the Part number in front of each rule, it makes the Appendix B easier to read. For instance rule A2 appears in Parts B8, B10 and B11. Without stating the number of the Part in front of the rule it may cause confusion by not knowing exactly which Part that rule belongs to. New numbering (B8.A2, B10.A2, B11.A2) will avoid that problem.
