

Racing Rules of Sailing

Rule 62.1(d)

A submission from the Chairman of Race Officials Committee

Purpose or Objective

To include actions of support persons in rule 62.1(d).

Proposal

62.1 A request for redress or a protest committee's decision to consider redress shall be based on a claim or possibility that a boat's score or place in a race or series has been or may be, through no fault of her own, made significantly worse by

... no changes to items (a) to (c)

- (d) an action of a boat, ~~or~~ a member of her crew, **or her support person,** that resulted in a penalty under rule 2 or a penalty or warning under rules 69.2(h) **or 64.4(a).**

Current Position

As above.

Reasons

There is currently no redress available if a boat's score is made significantly worse because of the actions of a support person of another boat. This submission corrects that mistake.
