27.2 World Sailing Match Race Rankings

27.2.1 Ranking Divisions

There shall be three divisions – Open, Women and Youth. The Women's Division is limited to events which specify that all crew members, including the skipper, shall be women. The Youth Division is limited to events which specify that all crew members, including the skipper, shall be under 23 years old on 31 December of the year in which the event is held. All other events are Open. Points scored in Women's events shall count only towards the Women's ranking list. Points scored by an all women team and/or all youth team in an Open event shall count towards the Open list and the respective Women's list or Youth list, without any adjustment.

27.2.2 Administration

(a) Application for Grading

The official World Sailing grading form is available for download from the World Sailing website.

The form shall be completed by the event organizer, endorsed by the relevant Member National Authority and received by the Executive Office at least four months prior to the event. This may be by electronic mail. An event grading will then be allocated by World Sailing.

World Sailing will publish the dates for WC events on or before 15 October the year before. All event organizers applying either for Grade 1 or Grade 2 are invited to submit their dates before 1 November the year before. World Sailing will then establish a calendar of events.

Events dates will be allocated in the following order:

WC events;  
Grade 1 events;  
Grade 2 events.

If two event dates clash and there is no possibility for one or both to select alternative dates, World Sailing shall decide the matter in its sole discretion which may include downgrading one of them.

The allocation of gradings by the Executive Office will be checked on a sample basis, as directed by the Chairman of the Match Racing Sub-committee. A report of event gradings will be made annually to the Match Race Committee.

(b) World Sailing Event Report

The organizers shall submit an World Sailing event report, including the results and other specified information, checked and signed by the Chief Umpire. The event report shall then be sent by fax or e-mail to the Executive Office. It shall be submitted within 5 days for events graded 3, 4 or 5, or within 24 hours for events graded 1 or 2.

(c) Re-grading of Events

Events may be re-graded retrospectively when there is clear reason to do so. An event applying to be up-graded retrospectively must satisfy World Sailing that it clearly meets all the criteria of the higher grading.

Application for upgrading shall be made at the time of submission of the results and be accompanied by an application form completed in full. The application form will be similar to the initial application form appropriate to the grade of event.

An event will only be downgraded when it fails to meet the criteria by a substantial margin, or when it does not comply with the administration requirements. Such a decision does not change the previous requirements as per Regulation 25.12.

When an event does not comply with World Sailing administrative procedures or fairness, the Match Race Rankings Sub-committee may recommend that World Sailing shall remove the event from the World Sailing calendar.

An event which failed to meet the criteria, regardless if the event was downgraded or not, may be granted a lower Grade when it applies for the next edition of that event.

(d) Invitations and acceptances

A skipper accepting an invitation but withdrawing within two months of the event may be reported by the organizer to the World Sailing. After review by World Sailing late withdrawals may receive a "zero" score, which must be counted for the competitor's ranking.

A "zero" score penalty after review by World Sailing may also apply to skippers who leave the event before the end of the event without the written approval from the organizing authority.

Invitations should be in writing and include the following statement:

*"Should you accept this invitation and later withdraw within two months of the event or leave the event before the end without the written approval from the OA, it is possible for a zero score to be applied to your Ranking points for that event by World Sailing."*

(e) Umpire Insurance

In signing the Grading Form, Events confirm that all umpires will be covered by comprehensive liability insurance in an amount of not less than £480,000 per occurrence covering legal liability in respect of personal injury and property damage. The cover should include (but not be limited to) liability directly or indirectly arising from the ownership, possession or use of any watercraft in connection with the umpire's duties.
