Racing Rules of Sailing

The Call Book for Match Racing - New CALL UMP 44

A submission from the Chairman of the Racing Rules Committee

Proposal

CALL UMP 44

Rule 11  On the Same Tack, Overlapped
Rule 12  On the Same Tack, Not Overlapped
Rule 15  Acquiring right of way

Question

Yellow and Blue are beam reaching on starboard tack in the pre-start with Yellow clear ahead and slightly to windward of Blue’s course line. Yellow releases her sail, and Blue creates an overlap to leeward, without either boat changing course. The separation between the boats is only a few centimetres. Yellow luffs to keep clear and there is immediately contact. Both boats Y-flag. What should the call be?

Answer

Blue obtains right of way as a result of Yellow reducing speed. While the change in speed is a consequence of an action by Yellow, an increase or decrease in speed is not in itself an 'action' within the meaning of the second part of rule 15.

Therefore, rule 15 applies when Blue acquires right of way. As Blue creates the overlap so close that Yellow has no possibility of keeping clear, Blue does not give Yellow room to keep clear and breaks rule 15. Penalize Blue.
Current Position
As above. ISAF Rapid Response Match Racing Call 2009/010

Reason
To give guidance on a situation that frequently occurs in match racing. The call clarifies that an increase or decrease in speed is not in itself an 'action' within the meaning of the second part of rule 15.
