

Racing Rules of Sailing

Rule D4.7

A submission from the Chairman of the Racing Rules Committee

Purpose or Objective

To clarify the rule for which two interpretations exist.

Proposal

D4.7 Incomplete Knock-Out Series

If a match in a knock-out series is not completed (including 0-0), the result of the match shall be determined using, in order,

- (a) the higher number of race wins in the incomplete match;
- (b) the higher number of race wins in all races **in the event** between the **tied** teams ~~in~~
~~the event~~;

No further changes.

Current Position

As above.

Reason

At some events rule D4.7(b) has been interpreted as 'in all races between all the teams in the event'. This was not intended and is not the desired outcome.
