Racing Rules of Sailing

MR Calls D5, D6, E9, G4, K1, K2, K3, K5, L5, L9, N7

A submission from the Chairman of the Racing Rules Committee

Purpose or Objective

To change language in existing calls from ‘downwind course’ to ‘a course that is more than ninety degrees from the true wind’.

Proposal

Change ‘downwind course’ to ‘a course that is more than ninety degrees from the true wind’ in the following MR Calls: D5, D6, E9, G4, K1, K2, K3, K5, L5, L9, N7

Current Position

As above

Reasons

The phrase ‘a downwind course’ has been replaced by ‘a course that is more than ninety degrees from the true wind’ in the rulebook. This submission allows language used in existing calls to be changed to this new language.
