INTERNATIONAL 420 CLASS

The following amendments to the Class Rules have been approved to be effective 1st March 2001 unless otherwise stated.

Rule 1.3
Amendment: Delete current rule and replace with: “These rules are complimentary to the Lines Plan (plan de forme), the Building Specification (drawing number 5), the International 420 Class Rudder Blade drawing and the International Measurement Form. The current issues of these documents are listed on the last page.

These items however complete cannot anticipate every situation that may arise. If a point is not clearly covered, a ruling shall be obtained from ISAF through the International 420 Class Technical Committee.”

The Drawings on page 5
Amendment: Delete lower plan view.

Rule 2.2
Amendment: Add the words: “and the official documents” after the words: “Class Rules”

Rule 2.3
Amendment: Delete the current rule and replace with: “If the builder does not comply with the requirements quoted in the Class Rules and the Official Documents, the ISAF has the power to revoke the building licence on the recommendation of 420 International or the National Authority.”

Rule 4.3
Amendment: Amend penultimate sentence to read as follows: “A new certificate shall then be issued to the owner”

Rule 5.4
Amendment: Delete the word: “or” from the sentence and replace with: “and” to read: “New or substantially altered sails shall be measured by a measurer who shall stamp and sign and date the sails near the tack and spinnakers near the top”. Delete the sentence “The detail shall be recorded on the certificate and the entry signed by the measurer or secretary of a NA”

Rule 6.2
Amendment: Add the wording to include month and year as follows: “Sails shall carry the sail maker’s trademark. In addition, a serial number, prefixed by two numbers for the month and two last numbers for the year of manufacture, placed near the head.

The sails shall be measured in accordance with the current class rules”
Rule 7.1 Amendment: Replace the words after “Class Rules and the Building Specification Plan” with “and the Official Documents”

Rule 10 Amendment: Add the title “Measurement Diagram” and the Rudder Blade diagram shall be added after Point 10 in the booklet.

CENTREBOARD
The Centreboard diagram shall be amended as follows:

![Diagram of Centreboard]

Rule 8.1 Amendment: Replace the words: “designed shape” with the words: “Official Documents”

Rule 8.7 Amendment: Add the following: “The transom radius shall be checked in a horizontal plane located 400mm above the baseline. On each side, the curvature measured at 520mm from the centreline shall be 26mm minimum and 42mm maximum. See measurement diagram.

The transom template diagram shall be added after point 8.”

Rule 8.11 Amendment: In the first sentence replace: “Measurement Diagram” with “Drawing Number 5” and in the second sentence replace: “55m” with “55mm”

Rule 10.2 Amendment: Replace the word “plan” with the words “Rudder Blade drawing”

Rule 11.8 - This rule is effective from 4th August 2000 Amendment: Delete present rule 11.8 (b) and (c) and insert:

“11.8 The following fittings shall be used:

(b) Fairleads or sheaves for each of the mainsail, headsail and spinnaker halliards. The headsail halyard sheave or fairlead shall be located below the forestay attachment. The lower edge of the
headsail halyard, when intersecting the mast at 90 degrees, shall be a minimum of 4520mm from the lowest point of the mast.

(c) Fittings to secure the shrouds, forestay and trapeze wires to the mast so that their lines intersect the mast 4550mm minimum and 4650mm maximum from the lowest point of the mast.”

RIGGING AND FITTINGS
Rule 14
Amendment: Add the following words: “A cleat wedge under each cleat is permitted.” after the sentence “Except when specifically permitted, they shall be of a type with no moving parts.”

Rule 14.1 (b)
Amendment: Amend the second sentence to read: “Each trapeze shall be provided with one handhold, and may have no ……..”

Rule 14.3 (f)
Amendment: Replace the words: “Official Drawing” with the words “Building Specification (Drawing 5)”

New Rule
Rule 14.3 (s)
Amendment: Add the following new rule: “Chafing and/or filler strips, of any material, except metal, may be fixed in the centreboard case and rudder stock in order to prevent movement of foils.”

New Rule
Rule 14.3 (u)
Amendment: Add the following new rule: “A clip or moulded insert in the thwart, to secure the spinnaker pole in the hull.”

Rule 16.3 (c) ii
Amendment: Add the word “inside” at the front of the measurement description of the top two batten pocket width descriptions as follows:

“Inside” length of centre 2 batten pockets 700mm
“Inside” length of bottom batten pockets 540mm

Rule 16.3 (c) iii
Amendment: Replace the word in the first sentence, “projection” with the word “continuation”.

Rule 16.3 (c) iv
Amendment: Delete the current rule.

Rule 16.3 (d)
Amendment: Delete the current rule with the number to remain a blank.

New Rule
Rule 16.3 (f)
Amendment: Add the following new rule: “Tell tales are allowed.”

New Rule
Rule 16.4 (e)
Amendment: Add the following new rule: “Tell tales are allowed.”

Official Plans
Amendment: Official Plans amended to read:

“Official Documents”

1. International 420 Class Rules (March 2001)
2. Lines Plan (plan de forme) Issue B
3. Building Specification (Drawing No.5 issue D)
5. International Measurement Form (June 1999)
