Addendum D

D1 RULES

D1.1 RRS Appendix F shall apply, except as changed by these NoR/SI.

D1.2 The NoR/SI for the Hempel Sailing World Championships Aarhus 2018 apply unless changed by a rule in this Addendum. If there is a conflict between the Addendum D and the general NoR/SI, the Addendum D will take precedence.

D10 [SP] [NP] SAFETY REGULATIONS

When stored on the beach in the launching area, hulls shall be placed with the fins down towards the sand.

D13 FORMAT

D13.1 The format will be an opening series followed by a medal series. The opening series will consist of a qualifying series and a final series.

D13.2 Qualifying Series

D13.2.1 Initially kiteboards will be assigned to flights of, as nearly as possible, equal size and ability. Initial assignments will be made by the race committee based on the kiteboards current standing in the world ranking. Those assignments will be posted at least 30 minutes before the first warning signal is made and will not be grounds for redress. This changes rule 62.1(a).

D13.2.2 In the qualifying series kiteboards will be reassigned to flights after each day of racing, except if on the first day only one race is completed. If all flights have completed the same number of races, kiteboards will be reassigned based on their ranks in the series. If all flights have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all flights.

D13.2.3 Assignments will be based on the ranking available at 2100 on the day before they take effect regardless of protests or requests for redress not yet decided.

D13.2.4 If all flights have not completed the same number of races by the end of a day, the flights with fewer races will continue racing the following day until all flights have completed the same number of races. All kiteboards will thereafter race in the new flights.

D13.3 Final Series

D13.3.1 The final series will be scheduled when 3 or more qualifying series races are completed.

- D13.3.2 Kiteboards will be assigned to final-series fleets based on their ranking in the qualifying series. There will be the same number of fleets in the final series as there were in the qualifying series. The final-series fleets will have, as nearly as possible, equal size.
- D13.3.3 Assignments to the final series will be based on the ranking available at 0900 on the first day of the final series. The protest committee may extend the time limit.
- D13.3.4 Any recalculation of qualifying-series ranking after kiteboards have been assigned to final-series fleets will not affect the assignments except that a redress decision may promote a kiteboard to a higher fleet.
- D13.3.5 For the event overall standings, competitors are ranked in the order of the competitors competing in the final series fleet standings. This may not apply to a kiteboard disqualified under RRS 5, 6 or 69.

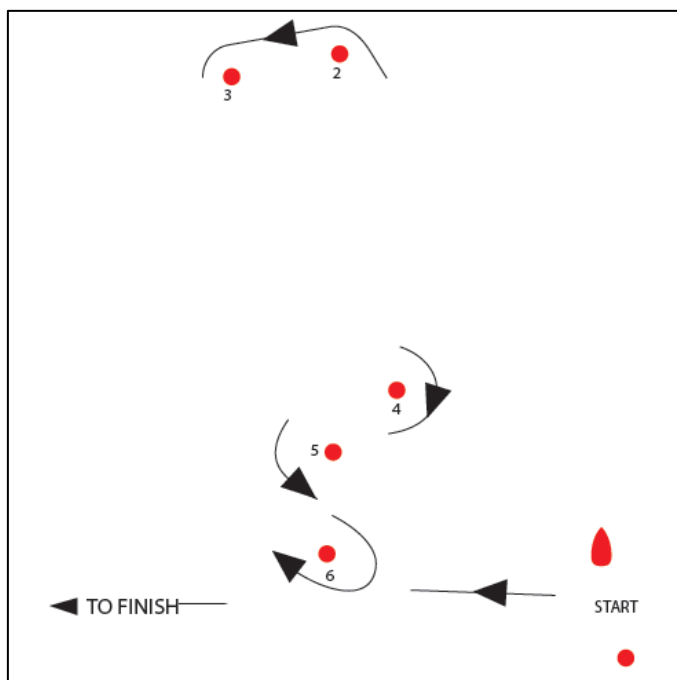

D13.4 Medal Series

- D13.4.1 A medal series will be scheduled when 6 or more opening series races are completed.
- D13.4.2 The top 10 kiteboards from the opening series will be assigned to compete in the medal race series.

D14 SCHEDULE

- D14.1 24 races are scheduled for the opening series. 3 races are scheduled for the medal race series.
