

ATHLETE MEDIA GUIDE

The Athlete Media Guide shall apply for Medal Race day on 30 January 2016.

1. Introduction

- 1.1 This Athlete Media Guide (AMG) outlines the media environment that will be in operation during the Sailing World Cup Miami Medal Race day, and sets out how athletes will engage with media and associated obligations.
- 1.2 The Sailing World Cup Sailing Instructions (SIs) and supporting documents on penalties clarify the media obligations where penalties will be applied. These are referenced by [SP], [NP] or [DP] in this document.
- 1.3 Supporting documents that will provide more information to athletes include the provisional course allocation plan and tracking system guidance document.

2. Media Representation

- 2.1 Sunset & Vine APP television crew has been appointed by World Sailing as the Medal Race live broadcaster for the Sailing World Cup Miami. This production and streaming transmission will be unbiased international television coverage. The television crew has priority media access to defined areas on the venue and the competition areas, including the boat parks and the mixed zone.
- 2.2 A number of other broadcasters will be present, together with photographic and written media journalists. They will have access to on-water controlled areas and the mixed zone.
- 2.3 Accredited media boats will be clearly identified on the water. The movement of media boats will be controlled on all courses to ensure minimal disturbance to racing, with additional restrictions for the Medal Race Courses.

3. Athlete media responsibilities and wet presentations.

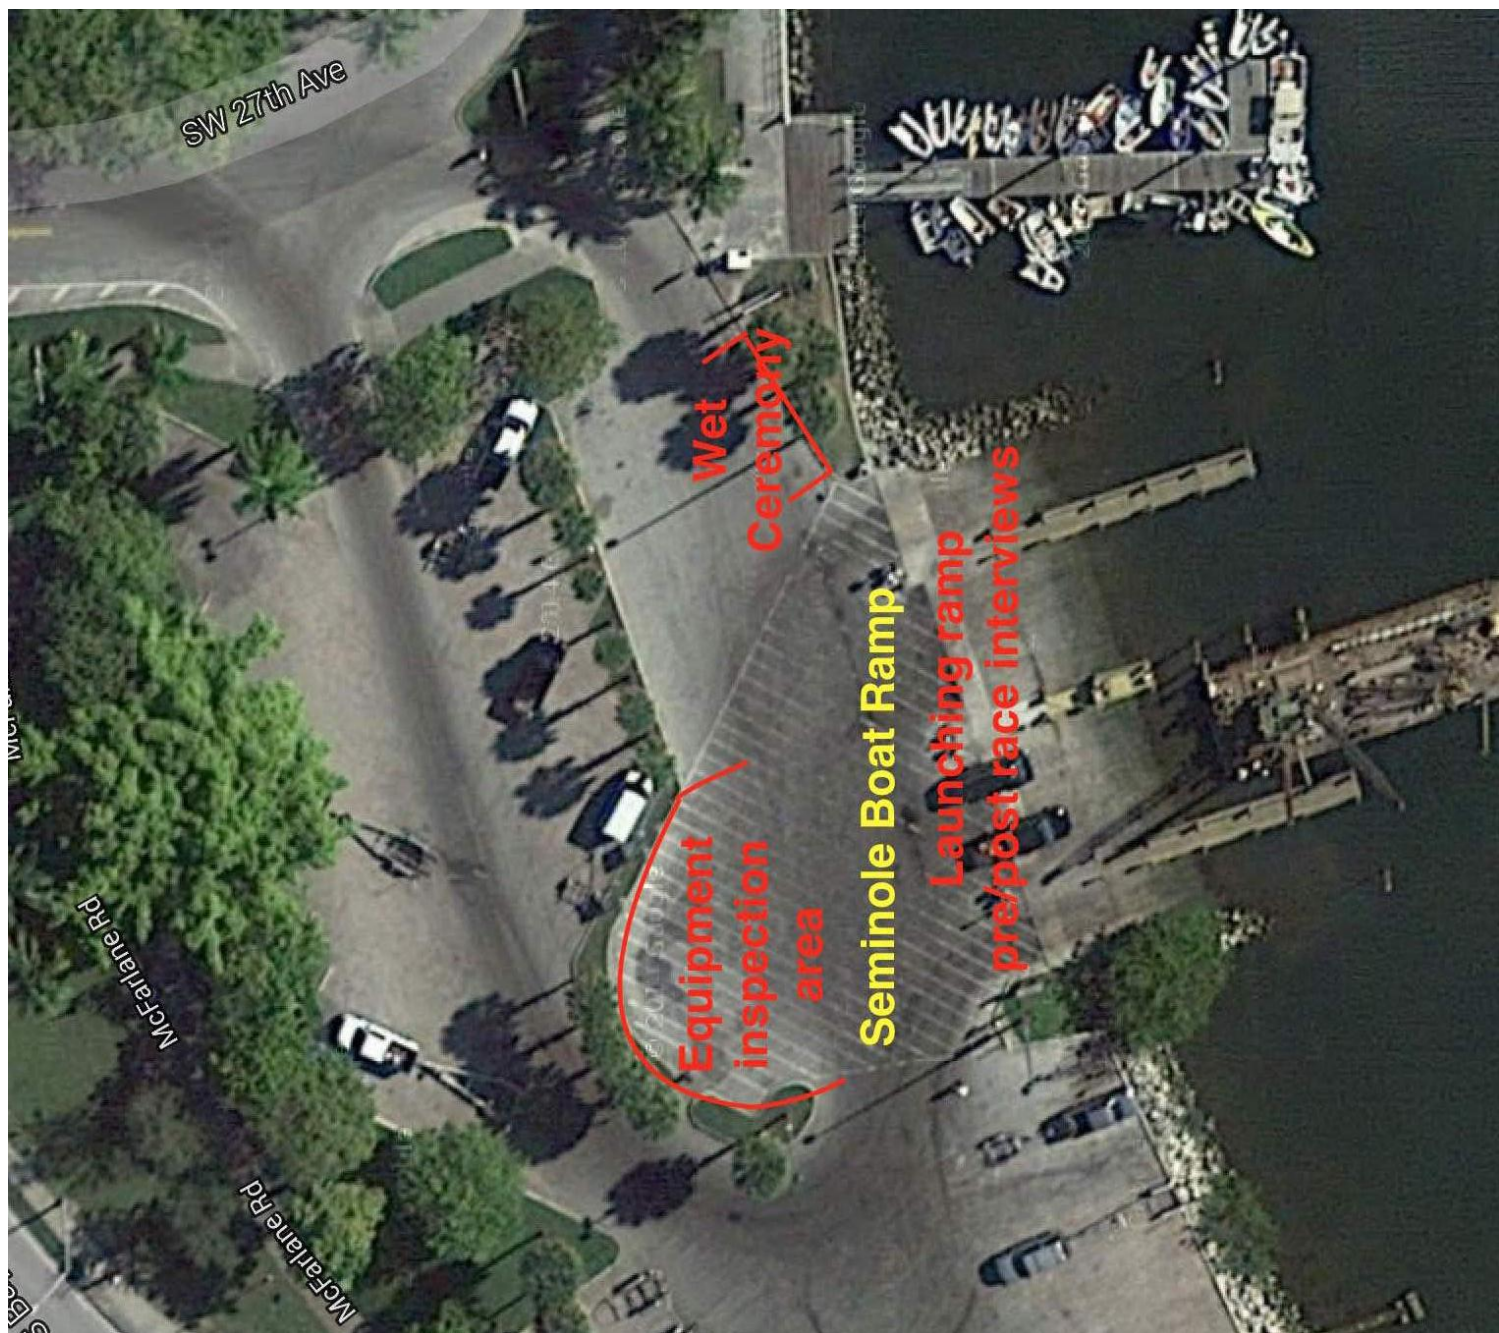

- 3.1 [SP][DP][NP] Before competition/before racing
All athletes will make themselves available for pre-race interviews at the launching ramp between the Pit Lane time and before Delta is displayed, as shown in Appendix B.
- 3.2 [DP][NP] End of race
The top three places of the Sailing World Cup Miami in each discipline shall return to the Seminole Boat Ramp immediately. A chaperone will meet you and move you to the stage area for a 'wet ceremony' presentation and post-race interviews.
This wet ceremony presentation area is adjacent to the launching ramp.
All competitors are encouraged to support all winning athletes and join the ceremony at the Seminole Boat Ramp.

4. Medal presentation.

- 4.1 Official medal ceremony
The official medal ceremony will take place at the Coral Reef Yacht Club 18:00 Saturday 30 January 2016.
Complementary dinner and beverages will be provided.
