2016 Olympic Sailing Competition - Events
Regulation 16.1.5

A submission from the Fédération Française de Voile

Proposal:
To add a new Regulation to be applied for 2016 Olympic Games

16.1.5 (a) (vi) must make sure that the five main disciplines in sailing will be
Represented at the Olympic Games. The five disciplines are:

- Windsurfing
- Dinghy single-handed
- Dinghy double-handed
- Keelboat
- Multihull

Current Position:
Decision made for 2012 Olympic Games:

Men
Windsurfer
One person dinghy
One person dinghy – heavy
Two person dinghy
Two person dinghy high performance
Keelboat

Women
Windsurfer
One person dinghy
Two person dinghy
Keelboat Match Racing

Reason:
The unexpected effect of the decision made in November 2007 is that Multihull discipline
disappears from the sailing events of the 2012 Olympic Regatta.
The five disciplines constituting sport sailing activity should be represented at the Olympic
Games.
