**Elliott 6m Recognised Status Application**

A submission from the Elliott 6m Designer/Class Association

**Proposal**

To adopt the Elliott 6m Class as an ISAF Recognised Class.

**Current Position**

The Elliott 6m is currently selected as the Women’s Match Racing equipment for the 2012 Olympic Sailing Competition.

**Reason**

The Elliott 6m was selected as the Women’s Match Racing equipment for the 2012 Olympic Sailing Competition and has sold 96 boats distributed across 19 countries.

This formal application was made in accordance with ISAF Regulations 10 to obtain ISAF Recognised status.

*ISAF Regulation 10.2.1.*

(a) **Active Class/Owner Association**

The Elliott 6m does not have an active owner/class association at the time of application as described in Regulation 10 but does have an international race program.

(b) **Class Constitution**

The Elliott 6m has not adopted a Class Constitution at the time of application.

(c) **Class Rules**

The Elliott 6m has a draft ISAF format (closed rules) and can be amended as necessary to include any ISAF requirements on the granting of ISAF recognition.

(d) **Provided a list of register boat owners**

The Elliott 6m designer/builder has supplied the boat numbers and nationality.

(e) **Qualification Numbers**

For ISAF Recognised status for boats 5.0m to 6.5m is a minimum of 15 boats in three MNAs from two continents and 80 boats worldwide.

The Elliott 6m does not meet the 15 boats in 3 MNAs countries but has 96 boats in 19 countries—see international distribution list provided.
