

International Windsurfer Class Association “I.W.C.A”

Application to become a World Sailing Class

From the International Windsurfer Class Association “I.W.C.A”

Headquarters at Via Salaria 350 - Rome 00199 Italy

Purpose or Objective

To have a new class of windsurfing with long history and universality duly recognised by World Sailing WS .

The recognition will support sailing and promote and develop the discipline of windsurfing in particular recognise the principle of:

- a. one-design class,
- b. easy accessible to all,
- c. focused to youth and gender equality,
- d. easy to be transported with a bag, and
- e. with limited cost. Low price and low costs of maintenance.

The recognition will protect the rights of the I.W.C.A., will define its duties obligations and will implement the compliance of the structure and the correct administration of I.W.C.A.

I.W.C.A. with the recognition will develop its activities among the sailors, the coaches and equipment suppliers in coordination with WS, organising continental and regional sailing events/regattas : And will be able to work closely with Sailing Federations and sports associations, and the National Sailing Authorities, and the existing National International Windsurfer class.

Proposal

The I.W.C.A. (International Windsurfer Class Association) wants to become a recognised WS Class. This proposal is supported by athletes coming from 7 nations belonging to 4 continents.

The I.W.C.A. (International Windsurfer Class Association) maintains the ideals and traditions of the sailboarding pioneers – to provide a fun and inclusive platform for fair and friendly competition.

The I.W.C.A. (International Windsurfer Class Association) supports inexpensive one design racing, where the emphasis is on skill and tactics rather than equipment.

A global revival in Classic Windsurfer One Design sailing has been sweeping across the continents and sparked reformation of past sailing fleets

The adoption of the Windsurfer LT in 2018 gave an important propulsion to the global wish of classic racing, all around the world. That's why the Class needs to be a WS recognised Class again.

Current Position

I.W.C.A. is not a recognized by WS. In the past the recognition was granted.

Reasons

IWCA may hold one World Championships.

IWCA will be acknowledged as having an international standard of fair competition.

IWCA could be selected for WS events

The attached documents supporting the application, are filed according to Appendix B – WS Class Criteria: Regulation 10:

- 1) Incorporation and constitution (English and Italian)
- 2) Executive Committee
- 3) Class Rules
- 4) Letter from Windsurfer Class Europe supporting the submission
- 5) Letter from Windsurfer Class Australia supporting the submission
- 6) Letter from Windsurfer Class South Africa supporting the submission
- 7) Letter from Windsurfer Class Japan supporting the submission
- 8) Letter from Windsurfer Class France supporting the submission
- 9) Letter from Windsurfer Class Nederland supporting the submission
- 10) Letter from Windsurfer Class Spain supporting the submission

Application to become Class at World Sailing

Dear World Sailing,

I am writing you concerning the application for designation of windsurfer class as a World Sailing Class Association.

International Windsurfer Class Association- District Italy – today Windsurfer Europe – was recognized by FIV (Federazione Italiana Vela), the Italian National Authority since 1975.

Since that time the Class has organized 43 Italian Championship, and in the last 5 Years the average participation was about 80 athlets, divided for gender, weight and age.

In 2018 the Class is composed of 202 members, including members from French, Spain, Switzerland, Germany, Malta, England, Austria, Belgium, Andorra and the Netherlands.

In July 2018 the Class took care of the organization of the World Cup in Torbole (Italy), with the presence of 102 athlets coming from 9 nations and 3 continents.

Recognition from ISAF of the Windsurfer Class would have a big impact on promoting the class in each country, that's why we are applying for that.

Best regards

The President
Luca Frascari

Sydney, July 4, 2018

Application to become a Recognised Class of World Sailing

Dear World Sailing,

I am writing you concerning the application for designation of the Windsurfer class as an ISAF Class Association.

The Windsurfer Class Association of Australia represents the interest of Windsurfer sailors. It is affiliated with the AWA (Australian Windsurfing Association).

Since 1977 the Class has organized 41 Australian National Championships, and in the last 3 years the average participation was about 50 athletes, divided for gender, weight and age.

Regular racing is conducted at Yacht Clubs in Sydney, Melbourne and Brisbane.

For the new membership year commencing July 1 2018 the Class has already 85 paid members, with anticipated number to exceed 100 by the start of the summer racing season.

Recognition from ISAF of the Windsurfer Class would provide a beneficial impact on promoting the class in each country, that's why we seeking status.

Best regards,

The Secretary

Nicholas Bez

APPLICATION FOR DESIGNATION OF WINDSURFER CLASS AS AN ISAF CLASS ASSOCIATION

Dear Sir/Madam, I am writing you concerning the application for designation of windsurfer class as an ISAF Class Association.

As you know, Windsurfer Class is increasingly having a lot of sailors around the world, this in France the fact that a new board has been manufacturing is a big issue that is making this class more popular every day.

Recognition from ISAF of the Windsurfer Class would have a big impact on promoting the class in each country, that's why we are applying for that.

Here is a list of registered Windsurfer board owners in France, so you can take into account for that matter.

Subject: Application for the approval of the Windsurfer Class as World Sailing Class

Dear Sirs,

Over the last years the Windsurfer Class has started again to increase quickly and is active in several countries, among them a section in the Netherlands. With the new board Windsurfer LT, we expect these numbers to grow even more and we expect that other countries will follow in due course. Therefore, we need an official recognition from World Sailing in order to prepare an adequate structure. Here below I send you the list of the Dutch athletes, sailing in the Windsurfer Class currently:

Application for International Class status

To whom it may concern

A global revival in Classic Windsurfer One Design sailing has been sweeping across the continents and sparked reformation of past sailing fleets.

In South Africa we have a following of 213 members on the dedicated RSA Windsurfer One Design Class Association Facebook Group which has been active since 2013 and steadily reuniting champions and competitive sailors.

The existing One Design fleet is nearing end of life and there is a global demand for a new model. With the launching of the Windsurfer LT, the fleet and sailing/racing is forecasted to grow rapidly and as such the International Windsurfer Class Association is rightly seeking recognised class status to allow International events to be sanctioned and supported by World Sailing etc.

The South African Windsurfer One Design fleet is currently comprised of the following 25 active and interested sailors and numbers are growing rapidly:

Name & Surname	Email address	Mobile #
Adrian Read	AdrianRead11@gmail.com	0848881246
Adrian Tregoning	adrian@bugbags.co.za	0826560252
