	<p>(13) ORGANISATION QUALITY? Fireball International</p> <p>(14) VENUE GOOD &amp; BAD POINTS? (a) ASHORE: Superb racing area. Club House too small to host large fleet, we used a large marquee. Vandalism / theft to equipment and boats. Difficult launch / recovery of competitors boats. Extra ramp had to be built for the championship to get round this problem.</p> <p>(b) AFLOAT: Contact Fireball International for information.</p>
Please state any recommendations for future World Championship events	<p>The Town Council of Teignmouth were fantastic, nothing was too much trouble for them. 100% committed to our championships and were always there to help ~ in all issues.</p> <p>b) generally in terms of class logistics of running a world? (not venue specific points) With a fleet size of 150 + very limited space in Teignmouth, zero beach space in the holiday season when tide is high boats making launching / recovery difficult.</p>
