INTRODUCTION

This introduction only provides an informal background. The International Maxi Association Class Rules proper begin on the next page.

The maxi class association was formed on 7th August 1979 in Genève, Switzerland.

Founding Members:

François Carn
Raul Gardini
John B. Kilroy
Edmond de Rothschild
William Whitehouse-Vaux

The Association was initially named ICAYA (International Class “A” Yacht Association).

In March 2001, after the abolishment of the Class A and the IOR classification, the name was changed into International Maxi Association (I.M.A.).

At the 2009 ISAF mid-year meeting the IMA was granted provisional status for the mini maxi fleet entitling the division to a recognized world championship.

In November 2009 the IMA was granted the rights by ISAF to hold two World Championships as an International class, one in the Maxi fleet and one in Mini Maxi fleet.

At the 2010 ISAF Annual Conference the ISAF Council approved the International Maxi Association as a full ISAF International Class.

These Class Rules, approved by ISAF, are substituting Appendix ALFA and Appendix BRAVO to the IMA By-laws, approved at the IMA AGM in September 2010.
