CONSTITUTION

SCHEDULE B (ARTICLE 27.2)

PROVISIONS RELATING TO GENERAL MEETINGS

1. If within half an hour from the time appointed for the holding of a General Meeting a quorum is not present, the meeting, if convened on the requisition of Member National Authorities, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place, or at such other place as the Executive Committee may determine.

2. The President of the Federation shall preside as Chairman at every General Meeting, but if at any meeting he shall not be present within fifteen minutes after the time appointed for holding the same, or shall be unwilling to preside, the Member National Authorities present shall choose some member of the Council, or if no such member be present, or if all the members of the Council present decline to take the chair, they shall choose some representative of a Member National Authority who shall be present to preside.

3. The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than business which might have been transacted at the meeting from which the adjournment took place.

Whenever a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given in the same manner as of an original meeting. Save as aforesaid, the Member National Authorities shall not be entitled to any notice of an adjournment, or of the business to be transacted at an adjourned meeting.

4. Subject to the provisions of the Acts, a resolution in writing signed by the duly authorized delegates of all the Member National Authorities for the time being entitled to receive notice of and to attend and vote at General Meetings shall be as valid and effective as if the same had been passed at a General Meeting of the Federation duly convened and held.

5. Save as expressly provided in these Articles, no member other than the properly appointed delegate of a Member National Authority, which shall have paid every subscription and other sum (if any) which shall be due and payable to the Federation in respect of its membership, shall be entitled to vote on any question at any General Meeting. Where a duly appointed representative or delegate is unable to attend and vote either because he is refused entry to the country where that meeting is taking place or through unforeseen ill health then, if the Chief Executive Officer is satisfied after making such enquiries as he deems appropriate as to the causes of such inability to attend, then the Member National Authority in question may appoint a member of that country’s diplomatic corps within the country where the meeting is taking place to take the place of and represent the delegate in question.

6. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be referred to the Chairman whose decision thereon shall be final and conclusive.

7.1 Votes may be given on a poll only by a properly appointed representative or delegate.

7.2 A corporation may only vote by its duly authorized representative or delegate appointed in accordance with these Articles.

8. The instrument appointing a delegate shall be in writing under the hand of the appointor or its attorney duly authorized in writing, or if such appointor is a corporation under its common sealor under the hand of some officer duly authorized in that behalf.
9. The any instrument appointing a delegate and the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy thereof shall be deposited at the Office or with the Secretary General/Chief Executive Officer not less than twenty-four hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or before the time appointed for the taking of a poll, and in default the person so named shall not be entitled to vote in respect thereof. No instrument of appointment shall be valid after the expiration of twelve months from the date of its execution.

10. A vote given shall be valid notwithstanding the previous revocation of the appointment of the relevant delegate, provided that no intimation in writing of the revocation as aforesaid shall have been received the Secretary General/Chief Executive Officer before the commencement of the meeting or adjourned meeting at which the appointment is used.

11. Any instrument appointing a delegate shall be in the following form or as near thereto as circumstances will admit:

'We, of ,
'a Member National Authority of the Federation, ,
'hereby appoint ,
'of ,

as our delegate to vote for us on our behalf at the [Annual/Extraordinary] General Meeting of the Federation to be held on 20 ,
'and at any adjournment thereof.
'Signed on 20 .'

The instrument appointing a delegate shall be deemed to confer authority to demand or join in demanding a secret vote or poll.
