The following amendments to the Class Rules have been approved to be effective 17 February 2016.

Rule C.4.1
Amendment: Add second sentence to read as follows:
“Vinyl film may be added to the hull above the chine, and vinyl or other plastic film may be added to the sail, to facilitate advertising, provided that the film shall not be specially textured or otherwise manufactured in a way that could improve the character of the flow of water or air inside the boundary layer.”

Rule C.7.3(a)
Amendment: Delete the last sentence of the rule such that it now reads as follows:
“(a) In the event of damage to any part of the hull, necessary repairs may be made provided repairs are made in such a way that the essential shape and function is not materially affected.”

Rule C.9.1(e)
Amendment: Add new rule to read as follows:
“The forestay and shroud adjuster fittings may be replaced by an alternative multi-hole adjuster.”

Rule C.9.4(a)(1), C.9.5(a)(1) & C.9.6(a)(1)
Amendment: Delete “may” and replace with “shall” in the first sentence.

Rule C.9.8(a)(4)
Amendment: Delete current rule and replace with a new rule to read as follows:
“(4) There is no restriction on elastic, rope, rings and blocks to tidy the sheets, halyards and control lines.”
