

Match Racing Rules Working Party Report to Racing Rules Committee October 2021

This working party reviews the rules associated with Match Racing (Appendix C) and answers Rapid Response Calls regarding match racing.

The new working party has been formed with three members of the old working party returning and five new members joining.

Rapid Response Calls

One rapid-response call was answered since October 2020.

Other Working party Activities:

Working with the Match Racing Sub Committee to finalise an updated standard Notice of Race and Sailing Instructions for Match racing. This will soon go to RRC for consideration.

Answering four rules related questions regarding match Racing.

Considering a submission to change MR Calls B13/B15 and E1.

Discussing elements of rule 18 as it applies to Match racing.

Reviewing a proposed change to mark rounding rules that has recently come from the High Speed Rules Working Party. The mark rounding rules are shared between match racing and boats that use the high speed rules
