### RACE SIGNALS

The meanings of visual and sound signals are stated below. An arrow pointing up or down (↑ ↓) means that a visual signal is displayed or removed. A dot (•) means a sound; five short dashes (-----) mean repetitive sounds; a long dash (—) means a long sound. When a visual signal is displayed over a class flag, the signal applies only to that class.

#### Postponement Signals

- **AP** Races not started are *postponed*. The warning signal will be made 1 minute after removal unless at that time the race is *postponed* again or *abandoned*.

- **AP over H** Races not started are *postponed*. Further signals ashore.

- **AP over A** Races not started are *postponed*. No more racing today.

#### Abandonment Signals

- **N** All races that have started are *abandoned*. Return to the starting area. The warning signal will be made 1 minute after removal unless at that time the race is *abandoned* again or *postponed*.

- **N over H** All races are *abandoned*. Further signals ashore.

- **N over A** All races are *abandoned*. No more racing today.

INTRODUCTION

The Racing Rules of Sailing includes two main sections. The first, Parts 1–7, contains rules that affect all competitors. The second, Appendices A–P, provides details of rules, rules that apply to particular kinds of racing, and rules that affect only a small number of competitors or officials.

Revision  The racing rules are revised and published every four years by the International Sailing Federation (ISAF), the international authority for the sport. This edition becomes effective on 1 January 2009 except that for an event beginning in 2008 the date may be postponed by the notice of race and sailing instructions. Marginal markings indicate important changes to Parts 1–7 and the Definitions of the 2005–2008 edition. No changes are contemplated before 2013, but any changes determined to be urgent before then will be announced through national authorities and posted on the ISAF website (www.sailing.org).

ISAF Codes  The ISAF Eligibility, Advertising, Anti-Doping and Sailor Classification Codes (Regulations 19, 20, 21 and 22) are referred to in the definition Rule but are not included in this book because they can be changed at any time. The most recent versions of the codes are available on the ISAF website; new versions will be announced through national authorities.

Cases and Calls  The ISAF publishes interpretations of the racing rules in The Case Book for 2009–2012 and recognizes them as authoritative interpretations and explanations of the rules. It also publishes The Call Book for Match Racing for 2009–2012 and The Call Book for Team Racing for 2009–2012, and it recognizes them as authoritative only for umpired match or team racing. These publications are available on the ISAF website.

Terminology  A term used in the sense stated in the Definitions is printed in italics or, in preambles, in bold italics (for example, racing and racing). ‘Racing rule’ means a rule in The Racing Rules of Sailing. ‘Boat’ means a sailboat and the crew on board. ‘Race committee’ includes any person or committee performing a race committee function. A ‘change’ to a rule includes an addition to it or deletion of all or part of it. ‘National authority’ means an ISAF member national
authority. Other words and terms are used in the sense ordinarily understood in nautical or general use.

**Appendices**  When the rules of an appendix apply, they take precedence over any conflicting rules in Parts 1–7 and the Definitions. Each appendix is identified by a letter. A reference to a rule in an appendix will contain the letter and the rule number (for example, ‘rule A1’). There is no Appendix I or O.

**Changes to the Rules**  The prescriptions of a national authority, class rules or the sailing instructions may change a racing rule only as permitted in rule 86.

**Changes to National Authority Prescriptions**  A national authority may restrict changes to its prescriptions as provided in rule 88.2.
BASIC PRINCIPLE

SPORTSMANSHIP AND THE RULES

Competitors in the sport of sailing are governed by a body of rules that they are expected to follow and enforce. A fundamental principle of sportsmanship is that when competitors break a rule they will promptly take a penalty, which may be to retire.

PART 1

FUNDAMENTAL RULES

1 SAFETY

1.1 Helping Those in Danger

A boat or competitor shall give all possible help to any person or vessel in danger.

1.2 Life-Saving Equipment and Personal Flotation Devices

A boat shall carry adequate life-saving equipment for all persons on board, including one item ready for immediate use, unless her class rules make some other provision. Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions.

2 FAIR SAILING

A boat and her owner shall compete in compliance with recognized principles of sportsmanship and fair play. A boat may be penalized under this rule only if it is clearly established that these principles have been violated. A disqualification under this rule shall not be excluded from the boat’s series score.

3 ACCEPTANCE OF THE RULES

By participating in a race conducted under these racing rules, each competitor and boat owner agrees

(a) to be governed by the rules;
(b) to accept the penalties imposed and other action taken under the rules, subject to the appeal and review procedures provided in them, as the final determination of any matter arising under the rules; and

(c) with respect to any such determination, not to resort to any court of law or tribunal.

4 DECISION TO RACE

The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.

5 ANTI-DOPING

A competitor shall comply with the World Anti-Doping Code, the rules of the World Anti-Doping Agency, and ISAF Regulation 21, Anti-Doping Code. An alleged or actual breach of this rule shall be dealt with under Regulation 21. It shall not be grounds for a protest and rule 63.1 does not apply.
PART 2
WHEN BOATS MEET

The rules of Part 2 apply between boats that are sailing in or near the racing area and intend to race, are racing, or have been racing. However, a boat not racing shall not be penalized for breaking one of these rules, except rule 23.1.

When a boat sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules. If the sailing instructions so state, the rules of Part 2 are replaced by the right-of-way rules of the IRPCAS or by government right-of-way rules.

SECTION A
RIGHT OF WAY

A boat has right of way when another boat is required to keep clear of her. However, some rules in Sections B, C and D limit the actions of a right-of-way boat.

10 ON OPPOSITE TACKS
When boats are on opposite tacks, a port-tack boat shall keep clear of a starboard-tack boat.

11 ON THE SAME TACK, OVERLAPPED
When boats are on the same tack and overlapped, a windward boat shall keep clear of a leeward boat.

12 ON THE SAME TACK, NOT OVERLAPPED
When boats are on the same tack and not overlapped, a boat clear astern shall keep clear of a boat clear ahead.

13 WHILE TACKING
After a boat passes head to wind, she shall keep clear of other boats until she is on a close-hauled course. During that time rules 10, 11 and 12 do not apply. If two boats are subject to this rule at the same
time, the one on the other’s port side or the one astern shall keep clear.

SECTION B
GENERAL LIMITATIONS

14 AVOIDING CONTACT
A boat shall avoid contact with another boat if reasonably possible. However, a right-of-way boat or one entitled to room or mark-room
(a) need not act to avoid contact until it is clear that the other boat is not keeping clear or giving room or mark-room, and
(b) shall not be penalized under this rule unless there is contact that causes damage or injury.

15 ACQUIRING RIGHT OF WAY
When a boat acquires right of way, she shall initially give the other boat room to keep clear, unless she acquires right of way because of the other boat’s actions.

16 CHANGING COURSE
16.1 When a right-of-way boat changes course, she shall give the other boat room to keep clear.
16.2 In addition, when after the starting signal a port-tack boat is keeping clear by sailing to pass astern of a starboard-tack boat, the starboard-tack boat shall not change course if as a result the port-tack boat would immediately need to change course to continue keeping clear.

17 ON THE SAME TACK; PROPER COURSE
If a boat clear astern becomes overlapped within two of her hull lengths to leeward of a boat on the same tack, she shall not sail above her proper course while they remain on the same tack and overlapped within that distance, unless in doing so she promptly sails astern of the other boat. This rule does not apply if the overlap begins while the windward boat is required by rule 13 to keep clear.
SECTION C
AT MARKS AND OBSTRUCTIONS

Section C rules do not apply at a starting mark surrounded by navigable water or at its anchor line from the time boats are approaching them to start until they have passed them. When rule 20 applies, rules 18 and 19 do not.

18 MARK-ROOM

18.1 When Rule 18 Applies
Rule 18 applies between boats when they are required to leave a mark on the same side and at least one of them is in the zone. However, it does not apply
(a) between boats on opposite tacks on a beat to windward,
(b) between boats on opposite tacks when the proper course at the mark for one but not both of them is to tack,
(c) between a boat approaching a mark and one leaving it, or
(d) if the mark is a continuing obstruction, in which case rule 19 applies.

18.2 Giving Mark-Room
(a) When boats are overlapped the outside boat shall give the inside boat mark-room, unless rule 18.2(b) applies.
(b) If boats are overlapped when the first of them reaches the zone, the outside boat at that moment shall thereafter give the inside boat mark-room. If a boat is clear ahead when she reaches the zone, the boat clear astern at that moment shall thereafter give her mark-room.
(c) When a boat is required to give mark-room by rule 18.2(b), she shall continue to do so even if later an overlap is broken or a new overlap begins. However, if the boat entitled to mark-room passes head to wind or leaves the zone, rule 18.2(b) ceases to apply.
(d) If there is reasonable doubt that a boat obtained or broke an overlap in time, it shall be presumed that she did not.
Part 2 WHEN BOATS MEET

(e) If a boat obtained an inside overlap from clear astern and, from the time the overlap began, the outside boat has been unable to give mark-room, she is not required to give it.

18.3 Tacking When Approaching a Mark

If two boats were approaching a mark on opposite tacks and one of them changes tack, and as a result is subject to rule 13 in the zone when the other is fetching the mark, rule 18.2 does not thereafter apply. The boat that changed tack

(a) shall not cause the other boat to sail above close-hauled to avoid her or prevent the other boat from passing the mark on the required side, and

(b) shall give mark-room if the other boat becomes overlapped inside her.

18.4 Gybing

When an inside overlapped right-of-way boat must gybe at a mark to sail her proper course, until she gybes she shall sail no farther from the mark than needed to sail that course. Rule 18.4 does not apply at a gate mark.

18.5 Exoneration

When a boat is taking mark-room to which she is entitled, she shall be exonerated

(a) if, as a result of the other boat failing to give her mark-room, she breaks a rule of Section A, or

(b) if, by rounding the mark on her proper course, she breaks a rule of Section A or rule 15 or 16.

19 ROOM TO PASS AN OBSTRUCTION

19.1 When Rule 19 Applies

Rule 19 applies between boats at an obstruction except when it is also a mark the boats are required to leave on the same side. However, at a continuing obstruction, rule 19 always applies and rule 18 does not.

19.2 Giving Room at an Obstruction

(a) A right-of-way boat may choose to pass an obstruction on either side.
(b) When boats are *overlapped*, the outside boat shall give the inside boat *room* between her and the *obstruction*, unless she has been unable to do so from the time the *overlap* began.

(c) While boats are passing a continuing *obstruction*, if a boat that was *clear astern* and required to *keep clear* becomes *overlapped* between the other boat and the *obstruction* and, at the moment the *overlap* begins, there is not *room* for her to pass between them, she is not entitled to *room* under rule 19.2(b). While the boats remain *overlapped*, she shall *keep clear* and rules 10 and 11 do not apply.

## ROOM TO TACK AT AN OBSTRUCTION

### 20.1 Hailing and Responding

When approaching an *obstruction*, a boat sailing close-hauled or above may hail for *room* to tack and avoid another boat on the same *tack*. After a boat hails,

(a) she shall give the hailed boat time to respond;

(b) the hailed boat shall respond either by tacking as soon as possible, or by immediately replying ‘You tack’ and then giving the hailing boat *room* to tack and avoid her; and

(c) when the hailed boat responds, the hailing boat shall tack as soon as possible.

### 20.2 Exoneration

When a boat is taking *room* to which she is entitled under rule 20.1(b), she shall be exonerated if she breaks a rule of Section A or rule 15 or 16.

### 20.3 When Not to Hail

A boat shall not hail unless safety requires her to make a substantial course change to avoid the *obstruction*. Also, she shall not hail if the *obstruction* is a *mark* that the hailed boat is *fetching*. 
SECTION D
OTHER RULES

When rule 21 or 22 applies between two boats, Section A rules do not.

21 STARTING ERRORS; TAKING PENALTIES; MOVING ASTERN

21.1 A boat sailing towards the pre-start side of the starting line or one of its extensions after her starting signal to start or to comply with rule 30.1 shall keep clear of a boat not doing so until she is completely on the pre-start side.

21.2 A boat taking a penalty shall keep clear of one that is not.

21.3 A boat moving astern by backing a sail shall keep clear of one that is not.

22 CAPSIZED, ANCHORED OR AGROUND; RESCUING

If possible, a boat shall avoid a boat that is capsized or has not regained control after capsizing, is anchored or aground, or is trying to help a person or vessel in danger. A boat is capsized when her masthead is in the water.

23 INTERFERING WITH ANOTHER BOAT

23.1 If reasonably possible, a boat not racing shall not interfere with a boat that is racing.

23.2 Except when sailing her proper course, a boat shall not interfere with a boat taking a penalty or sailing on another leg.
PART 3
CONDUCT OF A RACE

25 NOTICE OF RACE, SAILING INSTRUCTIONS AND SIGNALS
The notice of race and sailing instructions shall be made available to each boat before a race begins. The meanings of the visual and sound signals stated in Race Signals shall not be changed except under rule 86.1(b). The meanings of any other signals that may be used shall be stated in the sailing instructions.

26 STARTING RACES
Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<table>
<thead>
<tr>
<th>Signal</th>
<th>Flag and sound</th>
<th>Minutes before starting signal</th>

<td>Class flag removed; 1 sound</td>
<td>0</td>
</tr>
</tbody>
</table>

*or as stated in the sailing instructions

The warning signal for each succeeding class shall be made with or after the starting signal of the preceding class.

27 OTHER RACE COMMITTEE ACTIONS BEFORE THE STARTING SIGNAL
27.1 No later than the warning signal, the race committee shall signal or otherwise designate the course to be sailed if the sailing instructions have not stated the course, and it may replace one course signal with another and signal that wearing personal flotation devices is required (display flag Y with one sound).
27.2 No later than the preparatory signal, the race committee may move a starting mark.

27.3 Before the starting signal, the race committee may for any reason postpone (display flag AP, AP over H, or AP over A, with two sounds) or abandon the race (display flag N over H, or N over A, with three sounds).

28 SAILING THE COURSE

28.1 A boat shall start, leave each mark on the required side in the correct order, and finish, so that a string representing her track after starting and until finishing would when drawn taut

(a) pass each mark on the required side,
(b) touch each rounding mark, and
(c) pass between the marks of a gate from the direction of the previous mark.

She may correct any errors to comply with this rule. After finishing she need not cross the finishing line completely.

28.2 A boat may leave on either side a mark that does not begin, bound or end the leg she is on. However, she shall leave a starting mark on the required side when she is approaching the starting line from its pre-start side to start.

29 RECALLS

29.1 Individual Recall

When at a boat’s starting signal any part of her hull, crew or equipment is on the course side of the starting line or she must comply with rule 30.1, the race committee shall promptly display flag X with one sound. The flag shall be displayed until all such boats are completely on the pre-start side of the starting line or one of its extensions and have complied with rule 30.1 if it applies, but no later than four minutes after the starting signal or one minute before any later starting signal, whichever is earlier. If rule 30.3 applies this rule does not.

29.2 General Recall

When at the starting signal the race committee is unable to identify boats that are on the course side of the starting line or to which rule
30 applies, or there has been an error in the starting procedure, the race committee may signal a general recall (display the First Substitute with two sounds). The warning signal for a new start for the recalled class shall be made one minute after the First Substitute is removed (one sound), and the starts for any succeeding classes shall follow the new start.

30 STARTING PENALTIES

30.1 I Flag Rule
If flag I has been displayed, and any part of a boat’s hull, crew or equipment is on the course side of the starting line or one of its extensions during the last minute before her starting signal, she shall thereafter sail from the course side across an extension to the pre-start side before starting.

30.2 Z Flag Rule
If flag Z has been displayed, no part of a boat’s hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall receive, without a hearing, a 20% Scoring Penalty calculated as stated in rule 44.3(c). She shall be penalized even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting signal. If she is similarly identified during a subsequent attempt to start the same race, she shall receive an additional 20% Scoring Penalty.

30.3 Black Flag Rule
If a black flag has been displayed, no part of a boat’s hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting signal. If a general recall is signalled or the race is abandoned after the starting signal, the race committee shall display her sail number before the next warning signal for that race, and if the race is restarted or resailed she shall not sail in it. If she does so, her disqualification shall not be excluded in calculating her series score.
31 TOUCHING A MARK
While *racing*, a boat shall not touch a starting *mark* before *starting*, a *mark* that begins, bounds or ends the leg of the course on which she is sailing, or a finishing *mark* after *finishing*.

32 SHORTENING OR ABANDONING AFTER THE START
32.1 After the starting signal, the race committee may shorten the course (display flag S with two sounds) or *abandon* the race (display flag N, N over H, or N over A, with three sounds), as appropriate,
(a) because of an error in the starting procedure,
(b) because of foul weather,
(c) because of insufficient wind making it unlikely that any boat will *finish* within the time limit,
(d) because a *mark* is missing or out of position, or
(e) for any other reason directly affecting the safety or fairness of the competition,
or may shorten the course so that other scheduled races can be sailed. However, after one boat has sailed the course and *finished* within the time limit, if any, the race committee shall not *abandon* the race without considering the consequences for all boats in the race or series.

32.2 If the race committee signals a shortened course (displays flag S with two sounds), the finishing line shall be,
(a) at a rounding *mark*, between the *mark* and a staff displaying flag S;
(b) at a line boats are required to cross at the end of each lap, that line;
(c) at a gate, between the gate *marks*.
The shortened course shall be signalled before the first boat crosses the finishing line.

33 CHANGING THE NEXT LEG OF THE COURSE
The race committee may change a leg of the course that begins at a rounding *mark* or at a gate by changing the position of the next *mark* (or the finishing line) and signalling all boats before they begin the leg. The next *mark* need not be in position at that time.
(a) If the direction of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and either
   (1) the new compass bearing or
   (2) a green triangular flag or board for a change to starboard or a red rectangular flag or board for a change to port.

(b) If the length of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and a ‘–’ if the length will be decreased or a ‘+’ if it will be increased.

(c) Subsequent legs may be changed without further signalling to maintain the course shape.

34 MARK MISSING
If a mark is missing or out of position, the race committee shall, if possible,
(a) replace it in its correct position or substitute a new one of similar appearance, or
(b) substitute an object displaying flag M and make repetitive sound signals.

35 TIME LIMIT AND SCORES
If one boat sails the course as required by rule 28.1 and finishes within the time limit, if any, all boats that finish shall be scored according to their finishing places unless the race is abandoned. If no boat finishes within the time limit, the race committee shall abandon the race.

36 RACES RESTARTED OR RESAILED
If a race is restarted or resailed, a breach of a rule, other than rule 30.3, in the original race shall not prohibit a boat from competing or, except under rule 30.2, 30.3 or 69, cause her to be penalized.
PART 4
OTHER REQUIREMENTS WHEN RACING

Part 4 rules apply only to boats racing.

40 PERSONAL FLOTATION DEVICES
When flag Y is displayed with one sound before or with the warning signal, competitors shall wear personal flotation devices, except briefly while changing or adjusting clothing or personal equipment. Wet suits and dry suits are not personal flotation devices.

41 OUTSIDE HELP
A boat shall not receive help from any outside source, except
(a) help for an ill or injured crew member;
(b) after a collision, help from the crew of the other boat to get clear;
(c) help in the form of information freely available to all boats;
(d) unsolicited information from a disinterested source, which may be another boat in the same race.

42 PROPULSION
42.1 Basic Rule
Except when permitted in rule 42.3 or 45, a boat shall compete by using only the wind and water to increase, maintain or decrease her speed. Her crew may adjust the trim of sails and hull, and perform other acts of seamanship, but shall not otherwise move their bodies to propel the boat.

42.2 Prohibited Actions
Without limiting the application of rule 42.1, these actions are prohibited:
(a) pumping: repeated fanning of any sail either by pulling in and releasing the sail or by vertical or athwartship body movement;
(b) rocking: repeated rolling of the boat, induced by
Part 4    OTHER REQUIREMENTS WHEN RACING

(1) body movement,
(2) repeated adjustment of the sails or centreboard, or
(3) steering;
(c) ooching: sudden forward body movement, stopped abruptly;
(d) sculling: repeated movement of the helm that is either forceful or that propels the boat forward or prevents her from moving astern;
(e) repeated tacks or gybes unrelated to changes in the wind or to tactical considerations.

42.3 Exceptions

(a) A boat may be rolled to facilitate steering.
(b) A boat’s crew may move their bodies to exaggerate the rolling that facilitates steering the boat through a tack or a gybe, provided that, just after the tack or gybe is completed, the boat’s speed is not greater than it would have been in the absence of the tack or gybe.
(c) Except on a beat to windward, when surfing (rapidly accelerating down the leeward side of a wave) or planing is possible, the boat’s crew may pull the sheet and the guy controlling any sail in order to initiate surfing or planing, but only once for each wave or gust of wind.
(d) When a boat is above a close-hauled course and either stationary or moving slowly, she may scull to turn to a close-hauled course.
(e) A boat may reduce speed by repeatedly moving her helm.
(f) Any means of propulsion may be used to help a person or another vessel in danger.
(g) To get clear after grounding or colliding with another boat or object, a boat may use force applied by the crew of either boat and any equipment other than a propulsion engine.
(h) Sailing instructions may, in stated circumstances, permit propulsion using an engine or any other method, provided the boat does not gain a significant advantage in the race.

Note: Interpretations of rule 42 are available at the ISAF website (www.sailing.org) or by mail upon request.
43 COMPETITOR CLOTHING AND EQUIPMENT

43.1 (a) Competitors shall not wear or carry clothing or equipment for the purpose of increasing their weight.

(b) Furthermore, a competitor’s clothing and equipment shall not weigh more than 8 kilograms, excluding a hiking or trapeze harness and clothing (including footwear) worn only below the knee. Class rules or sailing instructions may specify a lower weight or a higher weight up to 10 kilograms. Class rules may include footwear and other clothing worn below the knee within that weight. A hiking or trapeze harness shall have positive buoyancy and shall not weigh more than 2 kilograms, except that class rules may specify a higher weight up to 4 kilograms. Weights shall be determined as required by Appendix H.

(c) When an equipment inspector or a measurer in charge of weighing clothing and equipment believes a competitor may have broken rule 43.1(a) or 43.1(b) he shall report the matter in writing to the race committee.

43.2 Rule 43.1(b) does not apply to boats required to be equipped with lifelines.

44 PENALTIES AT THE TIME OF AN INCIDENT

44.1 Taking a Penalty

A boat may take a Two-Turns Penalty when she may have broken a rule of Part 2 while racing or a One-Turn Penalty when she may have broken rule 31. Sailing instructions may specify the use of the Scoring Penalty or some other penalty. However,

(a) when a boat may have broken a rule of Part 2 and rule 31 in the same incident she need not take the penalty for breaking rule 31;

(b) if the boat caused injury or serious damage or gained a significant advantage in the race or series by her breach her penalty shall be to retire.

44.2 One-Turn and Two-Turns Penalties

After getting well clear of other boats as soon after the incident as possible, a boat takes a One-Turn or Two-Turns Penalty by promptly making the required number of turns in the same direction, each turn...
including one tack and one gybe. When a boat takes the penalty at or near the finishing line, she shall sail completely to the course side of the line before finishing.

44.3 Scoring Penalty

(a) A boat takes a Scoring Penalty by displaying a yellow flag at the first reasonable opportunity after the incident.

(b) When a boat has taken a Scoring Penalty, she shall keep the yellow flag displayed until finishing and call the race committee’s attention to it at the finishing line. At that time she shall also inform the race committee of the identity of the other boat involved in the incident. If this is impracticable, she shall do so at the first reasonable opportunity and within the time limit for protests.

(c) The race score for a boat that takes a Scoring Penalty shall be the score she would have received without that penalty, made worse by the number of places stated in the sailing instructions. However, she shall not be scored worse than Did Not Finish. When the sailing instructions do not state the number of places, the number shall be the whole number (rounding 0.5 upward) nearest to 20% of the number of boats entered. The scores of other boats shall not be changed; therefore, two boats may receive the same score.

45 Hauling Out; Making Fast; Anchoring

A boat shall be afloat and off moorings at her preparatory signal. Thereafter, she shall not be hauled out or made fast except to bail out, reef sails or make repairs. She may anchor or the crew may stand on the bottom. She shall recover the anchor before continuing in the race unless she is unable to do so.

46 Person in Charge

A boat shall have on board a person in charge designated by the member or organization that entered the boat. See rule 75.

47 Limitations on Equipment and Crew

47.1 A boat shall use only the equipment on board at her preparatory signal.
Part 4  OTHER REQUIREMENTS WHEN RACING

47.2 No person on board shall intentionally leave, except when ill or injured, or to help a person or vessel in danger, or to swim. A person leaving the boat by accident or to swim shall be back on board before the boat continues in the race.

48  FOG SIGNALS AND LIGHTS
When safety requires, a boat shall sound fog signals and show lights as required by the International Regulations for Preventing Collisions at Sea or applicable government rules.

49  CREW POSITION
49.1 Competitors shall use no device designed to position their bodies outboard, other than hiking straps and stiffeners worn under the thighs.

49.2 When lifelines are required by the class rules or the sailing instructions they shall be taut, and competitors shall not position any part of their torsos outside them, except briefly to perform a necessary task. On boats equipped with upper and lower lifelines of wire, a competitor sitting on the deck facing outboard with his waist inside the lower lifeline may have the upper part of his body outside the upper lifeline.

50  SETTING AND SHEETING SAILS
50.1 Changing Sails
When headsails or spinnakers are being changed, a replacing sail may be fully set and trimmed before the replaced sail is lowered. However, only one mainsail and, except when changing, only one spinnaker shall be carried set at a time.

50.2 Spinnaker Poles; Whisker Poles
Only one spinnaker pole or whisker pole shall be used at a time except when gybing. When in use, it shall be attached to the foremost mast.

50.3 Use of Outriggers
(a) No sail shall be sheeted over or through an outrigger, except as permitted in rule 50.3(b) or 50.3(c). An outrigger is any fitting or other device so placed that it could exert outward pressure on a sheet or sail at a point from which, with the boat upright, a
vertical line would fall outside the hull or deck planking. For the purpose of this rule, bulwarks, rails and rubbing strakes are not part of the hull or deck planking and the following are not outriggers: a bowsprit used to secure the tack of a working sail, a bumkin used to sheet the boom of a working sail, or a boom of a boomed headsail that requires no adjustment when tacking.

(b) Any sail may be sheeted to or led above a boom that is regularly used for a working sail and is permanently attached to the mast from which the head of the working sail is set.

(c) A headsail may be sheeted or attached at its clew to a spinnaker pole or whisker pole, provided that a spinnaker is not set.

50.4 Headsails
The difference between a headsail and a spinnaker is that the mid-girth of a headsail, measured from the mid-points of its luff and leech, does not exceed 50% of the length of its foot, and no other intermediate girth exceeds a percentage similarly proportional to its distance from the head of the sail. A sail tacked down behind the foremost mast is not a headsail.

51 MOVABLE BALLAST
All movable ballast, including sails that are not set, shall be properly stowed. Water, dead weight or ballast shall not be moved for the purpose of changing trim or stability. Floorboards, bulkheads, doors, stairs and water tanks shall be left in place and all cabin fixtures kept on board. However, bilge water may be bailed out.

52 MANUAL POWER
A boat’s standing rigging, running rigging, spars and movable hull appendages shall be adjusted and operated only by manual power.

53 SKIN FRICTION
A boat shall not eject or release a substance, such as a polymer, or have specially textured surfaces that could improve the character of the flow of water inside the boundary layer.
54 FORESTAYS AND HEADSAIL TACKS

Forestays and headsail tacks, except those of spinnaker staysails when the boat is not close-hauled, shall be attached approximately on a boat’s centreline.
PART 5
PROTESTS, REDRESS, HEARINGS, MISCONDUCT AND APPEALS

SECTION A
PROTESTS; REDRESS; RULE 69 ACTION

60 RIGHT TO PROTEST; RIGHT TO REQUEST REDRESS OR RULE 69 ACTION

60.1 A boat may
(a) protest another boat, but not for an alleged breach of a rule of Part 2 unless she was involved in or saw the incident; or
(b) request redress.

60.2 A race committee may
(a) protest a boat, but not as a result of information arising from a request for redress or an invalid protest, or from a report from an interested party other than the representative of the boat herself;
(b) request redress for a boat; or
(c) report to the protest committee requesting action under rule 69.1(a).

However, when the race committee receives a report required by rule 43.1(c) or 78.3, it shall protest the boat.

60.3 A protest committee may
(a) protest a boat, but not as a result of information arising from a request for redress or an invalid protest, or from a report from an interested party other than the representative of the boat herself. However, it may protest a boat
(1) if it learns of an incident involving her that may have resulted in injury or serious damage, or
(2) if during the hearing of a valid protest it learns that the boat, although not a party to the hearing, was involved in the incident and may have broken a rule;
(b) call a hearing to consider redress; or
(c) act under rule 69.1(a).

61 PROTEST REQUIREMENTS

61.1 Informing the Protestee

(a) A boat intending to protest shall inform the other boat at the first reasonable opportunity. When her protest concerns an incident in the racing area that she is involved in or sees, she shall hail ‘Protest’ and conspicuously display a red flag at the first reasonable opportunity for each. She shall display the flag until she is no longer racing. However,

(1) if the other boat is beyond hailing distance, the protesting boat need not hail but she shall inform the other boat at the first reasonable opportunity;

(2) if the hull length of the protesting boat is less than 6 metres, she need not display a red flag;

(3) if the incident results in damage or injury that is obvious to the boats involved and one of them intends to protest, the requirements of this rule do not apply to her, but she shall attempt to inform the other boat within the time limit of rule 61.3.

(b) A race committee or protest committee intending to protest a boat shall inform her as soon as reasonably possible. However, if the protest arises from an incident the committee observes in the racing area, it shall inform the boat after the race within the time limit of rule 61.3.

(c) If the protest committee decides to protest a boat under rule 60.3(a)(2), it shall inform her as soon as reasonably possible, close the current hearing, proceed as required by rules 61.2 and 63, and hear the original and the new protests together.

61.2 Protest Contents

A protest shall be in writing and identify

(a) the protestor and protestee;

(b) the incident, including where and when it occurred;

(c) any rule the protestor believes was broken; and

(d) the name of the protestor’s representative.
However, if requirement (b) is met, requirement (a) may be met at any time before the hearing, and requirements (c) and (d) may be met before or during the hearing.

61.3 Protest Time Limit
A protest by a boat, or by the race committee or protest committee about an incident the committee observes in the racing area, shall be delivered to the race office within the time limit stated in the sailing instructions. If none is stated, the time limit is two hours after the last boat in the race finishes. Other race committee or protest committee protests shall be delivered to the race office no later than two hours after the committee receives the relevant information. The protest committee shall extend the time if there is good reason to do so.

62 REDRESS
62.1 A request for redress or a protest committee’s decision to consider redress shall be based on a claim or possibility that a boat’s score in a race or series has, through no fault of her own, been made significantly worse by

(a) an improper action or omission of the race committee, protest committee or organizing authority, but not by a protest committee decision when the boat was a party to the hearing;

(b) injury or physical damage because of the action of a boat that was breaking a rule of Part 2 or of a vessel not racing that was required to keep clear;

(c) giving help (except to herself or her crew) in compliance with rule 1.1; or

(d) a boat against which a penalty has been imposed under rule 2 or disciplinary action has been taken under rule 69.1(b).

62.2 The request shall be in writing and be delivered to the race office no later than the protest time limit or two hours after the incident, whichever is later. The protest committee shall extend the time if there is good reason to do so. No red flag is required.
SECTION B
HEARINGS AND DECISIONS

63 HEARINGS

63.1 Requirement for a Hearing
A boat or competitor shall not be penalized without a protest hearing, except as provided in rules 30.2, 30.3, 67, 69, A5 and P2. A decision on redress shall not be made without a hearing. The protest committee shall hear all protests and requests for redress that have been delivered to the race office unless it allows a protest or request to be withdrawn.

63.2 Time and Place of the Hearing; Time for Parties to Prepare
All parties to the hearing shall be notified of the time and place of the hearing, the protest or redress information shall be made available to them, and they shall be allowed reasonable time to prepare for the hearing.

63.3 Right to Be Present
(a) The parties to the hearing, or a representative of each, have the right to be present throughout the hearing of all the evidence. When a protest claims a breach of a rule of Part 2, 3 or 4, the representatives of boats shall have been on board at the time of the incident, unless there is good reason for the protest committee to rule otherwise. Any witness, other than a member of the protest committee, shall be excluded except when giving evidence.

(b) If a party to the hearing of a protest or request for redress does not come to the hearing, the protest committee may nevertheless decide the protest or request. If the party was unavoidably absent, the committee may reopen the hearing.

63.4 Interested Party
A member of a protest committee who is an interested party shall not take any further part in the hearing but may appear as a witness. Protest committee members must declare any possible self-interest as soon as they are aware of it. A party to the hearing who believes a member of the protest committee is an interested party shall object as soon as possible.
63.5  Validity of the Protest or Request for Redress

At the beginning of the hearing the protest committee shall take any evidence it considers necessary to decide whether all requirements for the protest or request for redress have been met. If they have been met, the protest or request is valid and the hearing shall be continued. If not, the committee shall declare the protest or request invalid and close the hearing. If the protest has been made under rule 60.3(a)(1), the committee shall also determine whether or not injury or serious damage resulted from the incident in question. If not, the hearing shall be closed.

63.6  Taking Evidence and Finding Facts

The protest committee shall take the evidence of the parties to the hearing and of their witnesses and other evidence it considers necessary. A member of the protest committee who saw the incident may give evidence. A party to the hearing may question any person who gives evidence. The committee shall then find the facts and base its decision on them.

63.7  Conflict between the Notice of Race and the Sailing Instructions

If there is a conflict between a rule in the notice of race and one in the sailing instructions that must be resolved before the protest committee can decide a protest or request for redress, the committee shall apply the rule that it believes will provide the fairest result for all boats affected.

63.8  Protests between Boats in Different Races

A protest between boats sailing in different races conducted by different organizing authorities shall be heard by a protest committee acceptable to those authorities.

64  DECISIONS

64.1  Penalties and Exoneration

(a)  When the protest committee decides that a boat that is a party to a protest hearing has broken a rule, it shall disqualify her unless some other penalty applies. A penalty shall be imposed whether or not the applicable rule was mentioned in the protest.
(b) If a boat has taken an applicable penalty, rule 64.1(a) does not apply to her unless the penalty for a rule she broke is a disqualification that is not excludable from her series score.

(c) When as a consequence of breaking a rule a boat has compelled another boat to break a rule, rule 64.1(a) does not apply to the other boat and she shall be exonerated.

(d) If a boat has broken a rule when not racing, her penalty shall apply to the race sailed nearest in time to that of the incident.

64.2 Decisions on Redress

When the protest committee decides that a boat is entitled to redress under rule 62, it shall make as fair an arrangement as possible for all boats affected, whether or not they asked for redress. This may be to adjust the scoring (see rule A10 for some examples) or finishing times of boats, to abandon the race, to let the results stand or to make some other arrangement. When in doubt about the facts or probable results of any arrangement for the race or series, especially before abandoning the race, the protest committee shall take evidence from appropriate sources.

64.3 Decisions on Measurement Protests

(a) When the protest committee finds that deviations in excess of tolerances specified in the class rules were caused by damage or normal wear and do not improve the performance of the boat, it shall not penalize her. However, the boat shall not race again until the deviations have been corrected, except when the protest committee decides there is or has been no reasonable opportunity to do so.

(b) When the protest committee is in doubt about the meaning of a measurement rule, it shall refer its questions, together with the relevant facts, to an authority responsible for interpreting the rule. In making its decision, the committee shall be bound by the reply of the authority.

(c) When a boat disqualified under a measurement rule states in writing that she intends to appeal, she may compete in subsequent races without changes to the boat, but shall be disqualified if she fails to appeal or the appeal is decided against her.
(d) Measurement costs arising from a protest involving a measurement rule shall be paid by the unsuccessful party unless the protest committee decides otherwise.

65 INFORMING THE PARTIES AND OTHERS

65.1 After making its decision, the protest committee shall promptly inform the parties to the hearing of the facts found, the applicable rules, the decision, the reasons for it, and any penalties imposed or redress given.

65.2 A party to the hearing is entitled to receive the above information in writing, provided she asks for it in writing from the protest committee no later than seven days after being informed of the decision. The committee shall then promptly provide the information, including, when relevant, a diagram of the incident prepared or endorsed by the committee.

65.3 When the protest committee penalizes a boat under a measurement rule, it shall send the above information to the relevant measurement authorities.

66 REOPENING A HEARING

The protest committee may reopen a hearing when it decides that it may have made a significant error, or when significant new evidence becomes available within a reasonable time. It shall reopen a hearing when required by the national authority under rule F5. A party to the hearing may ask for a reopening no later than 24 hours after being informed of the decision. When a hearing is reopened, a majority of the members of the protest committee shall, if possible, be members of the original protest committee.

67 RULE 42 AND HEARING REQUIREMENT

When so stated in the sailing instructions, the protest committee may penalize without a hearing a boat that has broken rule 42, provided that a member of the committee or its designated observer has seen the incident, and a disqualification under this rule shall not be excluded from the boat’s series score. A boat so penalized shall be informed by notification in the race results.
DAMAGES

The question of damages arising from a breach of any rule shall be governed by the prescriptions, if any, of the national authority.

SECTION C
GROSS MISCONDUCT

ALLEGATIONS OF GROSS MISCONDUCT

Action by a Protest Committee

(a) When a protest committee, from its own observation or a report received from any source, believes that a competitor may have committed a gross breach of a rule, good manners or sportsmanship, or may have brought the sport into disrepute, it may call a hearing. The protest committee shall promptly inform the competitor in writing of the alleged misconduct and of the time and place of the hearing. If the competitor provides good reason for being unable to attend the hearing, the protest committee shall reschedule it.

(b) A protest committee of at least three members shall conduct the hearing, following the procedures in rules 63.2, 63.3(a), 63.4 and 63.6. If it decides that the competitor committed the alleged misconduct it shall either

(1) warn the competitor or

(2) impose a penalty by excluding the competitor and, when appropriate, disqualifying a boat, from a race or the remaining races or all races of the series, or by taking other action within its jurisdiction. A disqualification under this rule shall not be excluded from the boat’s series score.

(c) The protest committee shall promptly report a penalty, but not a warning, to the national authorities of the venue, of the competitor and of the boat owner. If the protest committee is an international jury appointed by the ISAF under rule 89.2(b), it shall send a copy of the report to the ISAF.

(d) If the competitor does not provide good reason for being unable to attend the hearing and does not come to it, the protest committee may conduct it without the competitor present. If
the committee does so and penalizes the competitor, it shall include in the report it makes under rule 69.1(c) the facts found, the decision and the reasons for it.

(e) If the protest committee chooses not to conduct the hearing without the competitor present or if the hearing cannot be scheduled for a time and place when it would be reasonable for the competitor to attend, the protest committee shall collect all available information and, if the allegation seems justified, make a report to the relevant national authorities. If the protest committee is an international jury appointed by the ISAF under rule 89.2(b), it shall send a copy of the report to the ISAF.

(f) When the protest committee has left the event and a report alleging misconduct is received, the race committee or organizing authority may appoint a new protest committee to proceed under this rule.

69.2 Action by a National Authority or Initial Action by the ISAF

(a) When a national authority or the ISAF receives a report alleging a gross breach of a rule, good manners or sportsmanship, a report alleging conduct that has brought the sport into disrepute, or a report required by rule 69.1(c) or 69.1(e), it may conduct an investigation and, when appropriate, shall conduct a hearing. It may then take any disciplinary action within its jurisdiction it considers appropriate against the competitor or boat, or other person involved, including suspending eligibility, permanently or for a specified period of time, to compete in any event held within its jurisdiction, and suspending ISAF eligibility under ISAF Regulation 19.

(b) The national authority of a competitor shall also suspend the ISAF eligibility of the competitor as required in ISAF Regulation 19.

(c) The national authority shall promptly report a suspension of eligibility under rule 69.2(a) to the ISAF, and to the national authorities of the person or the owner of the boat suspended if they are not members of the suspending national authority.

69.3 Subsequent Action by the ISAF

Upon receipt of a report required by rule 69.2(c) or ISAF Regulation 19, or following its own action under rule 69.2(a), the ISAF shall
inform all national authorities, which may also suspend eligibility for events held within their jurisdiction. The ISAF Executive Committee shall suspend the competitor’s ISAF eligibility as required in ISAF Regulation 19 if the competitor’s national authority does not do so.

SECTION D  
APPEALS

70  APPEALS AND REQUESTS TO A NATIONAL AUTHORITY

70.1 Provided that the right of appeal has not been denied under rule 70.5, a party to a hearing may appeal a protest committee’s decision or its procedures, but not the facts found.

70.2 A protest committee may request confirmation or correction of its decision.

70.3 An appeal under rule 70.1 or a request by a protest committee under rule 70.2 shall be sent to the national authority with which the organizing authority is associated under rule 89.1. However, if boats will pass through the waters of more than one national authority while racing, the sailing instructions shall identify the national authority to which appeals or requests may be sent.

70.4 A club or other organization affiliated to a national authority may request an interpretation of the rules, provided that no protest or request for redress that may be appealed is involved. The interpretation shall not be used for changing a previous protest committee decision.

70.5 There shall be no appeal from the decisions of an international jury constituted in compliance with Appendix N. Furthermore, if the notice of race and the sailing instructions so state, the right of appeal may be denied provided that

(a) it is essential to determine promptly the result of a race that will qualify a boat to compete in a later stage of an event or a subsequent event (a national authority may prescribe that its approval is required for such a procedure);

(b) a national authority so approves for a particular event open only to entrants under its own jurisdiction; or
(c) a national authority after consultation with the ISAF so approves for a particular event, provided the protest committee is constituted as required by Appendix N, except that only two members of the protest committee need be International Judges.

70.6 Appeals and requests shall conform to Appendix F.

71 NATIONAL AUTHORITY DECISIONS

71.1 No interested party or member of the protest committee shall take any part in the discussion or decision on an appeal or a request for confirmation or correction.

71.2 The national authority may uphold, change or reverse the protest committee’s decision; declare the protest or request for redress invalid; or return the protest or request for the hearing to be reopened, or for a new hearing and decision by the same or a different protest committee.

71.3 When from the facts found by the protest committee the national authority decides that a boat that was a party to a protest hearing broke a rule, it shall penalize her, whether or not that boat or that rule was mentioned in the protest committee’s decision.

71.4 The decision of the national authority shall be final. The national authority shall send its decision in writing to all parties to the hearing and the protest committee, who shall be bound by the decision.
PART 6
ENTRY AND QUALIFICATION

75 ENTERING A RACE
75.1 To enter a race, a boat shall comply with the requirements of the organizing authority of the race. She shall be entered by
(a) a member of a club or other organization affiliated to an ISAF member national authority,
(b) such a club or organization, or
(c) a member of an ISAF member national authority.

75.2 Competitors shall comply with ISAF Regulation 19, Eligibility Code.

76 EXCLUSION OF BOATS OR COMPETITORS
76.1 The organizing authority or the race committee may reject or cancel the entry of a boat or exclude a competitor, subject to rule 76.2, provided it does so before the start of the first race and states the reason for doing so. However, the organizing authority or the race committee shall not reject or cancel the entry of a boat or exclude a competitor because of advertising, provided the boat or competitor complies with ISAF Regulation 20, Advertising Code.

76.2 At world and continental championships no entry within stated quotas shall be rejected or cancelled without first obtaining the approval of the relevant international class association (or the Offshore Racing Council) or the ISAF.

77 IDENTIFICATION ON SAILS
A boat shall comply with the requirements of Appendix G governing class insignia, national letters and numbers on sails.

78 COMPLIANCE WITH CLASS RULES; CERTIFICATES
78.1 A boat’s owner and any other person in charge shall ensure that the boat is maintained to comply with her class rules and that her measurement or rating certificate, if any, remains valid.

78.2 When a rule requires a certificate to be produced before a boat races, and it is not produced, the boat may race provided that the race
committee receives a statement signed by the person in charge that a valid certificate exists and that it will be given to the race committee before the end of the event. If the certificate is not received in time, the boat shall be disqualified from all races of the event.

78.3 When an equipment inspector or a measurer for an event decides that a boat or personal equipment does not comply with the class rules, he shall report the matter in writing to the race committee.

79 CLASSIFICATION
If the notice of race or class rules state that some or all competitors must satisfy classification requirements, the classification shall be carried out as described in ISAF Regulation 22, Sailor Classification Code.

80 ADVERTISING
A boat and her crew shall comply with ISAF Regulation 20, Advertising Code.

81 RESCHEDULED RACES
When a race has been rescheduled, all boats entered in the original race shall be notified. New entries that meet the entry requirements of the original race may be accepted at the discretion of the race committee.
PART 7
RACE ORGANIZATION

85 GOVERNING RULES
The organizing authority, race committee and protest committee shall be governed by the rules in the conduct and judging of races.

86 CHANGES TO THE RACING RULES
86.1 A racing rule shall not be changed unless permitted in the rule itself or as follows:

(a) Prescriptions of a national authority may change a racing rule, but not the Definitions; a rule in the Introduction; Sportsmanship and the Rules; Part 1, 2 or 7; rule 42, 43, 69, 70, 71, 75, 76.2, 79 or 80; a rule of an appendix that changes one of these rules; Appendix H or N; or ISAF Regulation 19, 20, 21 or 22.

(b) Sailing instructions may change a racing rule, but not rule 76.1, Appendix F, or a rule listed in rule 86.1(a). However, the sailing instructions may change to ‘two’ or ‘four’ the number of hull lengths determining the zone around marks, provided that the number is the same for all marks and all boats using those marks. If the sailing instructions change a rule or that definition, they shall refer specifically to the rule or definition and state the change.

(c) Class rules may change only racing rules 42, 49, 50, 51, 52, 53 and 54. Such changes shall refer specifically to the rule and state the change.

Note: The second sentence of this rule takes effect on 1 January 2011.

86.2 In exception to rule 86.1, the ISAF may in limited circumstances (see ISAF Regulation 31.1.3) authorize changes to the racing rules for a specific international event. The authorization shall be stated in a letter of approval to the event organizing authority and in the notice of race and sailing instructions, and the letter shall be posted on the event’s official notice board.

86.3 If a national authority so prescribes, the restrictions in rule 86.1 do not apply if rules are changed to develop or test proposed rules. The
national authority may prescribe that its approval is required for such changes.

87  **CHANGES TO CLASS RULES**

The sailing instructions may change a class rule only when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board.

88  **NATIONAL PRESCRIPTIONS**

88.1 The prescriptions that apply to an event are the prescriptions of the national authority with which the organizing authority is associated under rule 89.1. However, if boats will pass through the waters of more than one national authority while *racing*, the sailing instructions shall identify any other prescriptions that will apply and when they will apply.

88.2 The sailing instructions may change a prescription. However, a national authority may restrict changes to its prescriptions with a prescription to this rule, provided the ISAF approves its application to do so. The restricted prescriptions shall not be changed by the sailing instructions.

89  **ORGANIZING AUTHORITY; NOTICE OF RACE; APPOINTMENT OF RACE OFFICIALS**

89.1 **Organizing Authority**

Races shall be organized by an organizing authority, which shall be

(a) the ISAF;

(b) a member national authority of the ISAF;

(c) a club or other organization affiliated to a national authority;

(d) a class association, either with the approval of a national authority or in conjunction with an affiliated club;

(e) an unaffiliated body in conjunction with an affiliated club where the body is owned and controlled by the club. The national authority of the club may prescribe that its approval is required for such an event; or

(f) if approved by the ISAF and the national authority of the club, an unaffiliated body in conjunction with an affiliated club where the body is not owned and controlled by the club.
89.2 Notice of Race; Appointment of Race Officials  
(a) The organizing authority shall publish a notice of race that conforms to rule J1. The notice of race may be changed provided adequate notice is given.  
(b) The organizing authority shall appoint a race committee and, when appropriate, appoint a protest committee and umpires. However, the race committee, an international jury and umpires may be appointed by the ISAF as provided in the ISAF regulations.

90 RACE COMMITTEE; SAILING INSTRUCTIONS; SCORING  
90.1 Race Committee  
The race committee shall conduct races as directed by the organizing authority and as required by the rules.

90.2 Sailing Instructions  
(a) The race committee shall publish written sailing instructions that conform to rule J2.  
(b) When appropriate, for an event where entries from other countries are expected, the sailing instructions shall include, in English, the applicable national prescriptions.  
(c) Changes to the sailing instructions shall be in writing and posted on the official notice board before the time stated in the sailing instructions or, on the water, communicated to each boat before her warning signal. Oral changes may be given only on the water, and only if the procedure is stated in the sailing instructions.

90.3 Scoring  
(a) The race committee shall score a race or series as provided in Appendix A using the Low Point System, unless the sailing instructions specify the Bonus Point System or some other system. A race shall be scored if it is not abandoned and if one boat sails the course in compliance with rule 28.1 and finishes within the time limit, if any, even if she retires after finishing or is disqualified.  
(b) When a scoring system provides for excluding one or more race scores from a boat’s series score, the score for disqualifi-
cation under rule 2; rule 30.3’s last sentence; rule 42 if rule 67, P2.2 or P2.3 applies; or rule 69.1(b)(2) shall not be excluded. The next-worse score shall be excluded instead.

91 PROTEST COMMITTEE

A protest committee shall be

(a) a committee appointed by the organizing authority or race committee, or

(b) an international jury appointed by the organizing authority or as prescribed in the ISAF regulations and meeting the requirements of Appendix N. A national authority may prescribe that its approval is required for the appointment of international juries for races within its jurisdiction, except ISAF events or when international juries are appointed by the ISAF under rule 89.2(b).
APPENDIX A
SCORING

See rule 90.3.

A1 NUMBER OF RACES
The number of races scheduled and the number required to be completed to constitute a series shall be stated in the sailing instructions.

A2 SERIES SCORES
Each boat’s series score shall be the total of her race scores excluding her worst score. (The sailing instructions may make a different arrangement by providing, for example, that no score will be excluded, that two or more scores will be excluded, or that a specified number of scores will be excluded if a specified number of races are completed. A race is completed if scored; see rule 90.3(a).) If a boat has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The boat with the lowest series score wins and others shall be ranked accordingly.

A3 STARTING TIMES AND FINISHING PLACES
The time of a boat’s starting signal shall be her starting time, and the order in which boats finish a race shall determine their finishing places. However, when a handicap or rating system is used a boat’s corrected time shall determine her finishing place.

A4 LOW POINT AND BONUS POINT SYSTEMS
Most series are scored using either the Low Point System or the Bonus Point System. The Low Point System uses a boat’s finishing place as her race score. The Bonus Point System benefits the first six finishers because of the greater difficulty in advancing from fourth place to third, for example, than from fourteenth place to thirteenth. The Low Point System will apply unless the sailing instructions specify another system; see rule 90.3(a). If the Bonus Point System is chosen it can be made to apply by stating in the sailing instructions that ‘The Bonus Point System of Appendix A will apply.’
A4.1 Each boat starting and finishing and not thereafter retiring, being penalized or given redress shall be scored points as follows:

<table>
<thead>
<tr>
<th>Finishing place</th>
<th>Low Point System</th>
<th>Bonus Point System</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>1</td>
<td>0</td>

<tr>

<tr>

</tr>
</tbody>
</table>

A4.2 A boat that did not start, did not finish, retired after finishing or was disqualified shall be scored points for the finishing place one more than the number of boats entered in the series. A boat that is penalized under rule 30.2 or that takes a penalty under rule 44.3(a) shall be scored points as provided in rule 44.3(c).

A5 SCORES DETERMINED BY THE RACE COMMITTEE

A boat that did not start, comply with rule 30.2 or 30.3, or finish, or that takes a penalty under rule 44.3(a) or retires after finishing, shall be scored accordingly by the race committee without a hearing. Only the protest committee may take other scoring actions that worsen a boat’s score.

A6 CHANGES IN PLACES AND SCORES OF OTHER BOATS

A6.1 If a boat is disqualified from a race or retires after finishing, each boat with a worse finishing place shall be moved up one place.

A6.2 If the protest committee decides to give redress by adjusting a boat’s score, the scores of other boats shall not be changed unless the protest committee decides otherwise.

A7 RACE TIES

If boats are tied at the finishing line or if a handicap or rating system is used and boats have equal corrected times, the points for the place for which the boats have tied and for the place(s) immediately below
shall be added together and divided equally. Boats tied for a race prize shall share it or be given equal prizes.

A8 SERIES TIES

A8.1 If there is a series-score tie between two or more boats, each boat’s race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the boat(s) with the best score(s). No excluded scores shall be used.

A8.2 If a tie remains between two or more boats, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boats’ scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

A9 RACE SCORES IN A SERIES LONGER THAN A REGATTA

For a series that is held over a period of time longer than a regatta, a boat that came to the starting area but did not start, did not finish, retired after finishing or was disqualified shall be scored points for the finishing place one more than the number of boats that came to the starting area. A boat that did not come to the starting area shall be scored points for the finishing place one more than the number of boats entered in the series.

A10 GUIDANCE ON REDRESS

If the protest committee decides to give redress by adjusting a boat’s score for a race, it is advised to consider scoring her

(a) points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series except the race in question;

(b) points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races before the race in question; or

(c) points based on the position of the boat in the race at the time of the incident that justified redress.
A11 SCORING ABBREVIATIONS

These scoring abbreviations shall be used for recording the circumstances described:

- **DNC**: Did not *start*; did not come to the starting area
- **DNS**: Did not *start* (other than DNC and OCS)

- **RDG**: Redress given
APPENDIX B
WINDSURFING COMPETITION RULES

Windsurfing competition shall be sailed under The Racing Rules of Sailing as changed by this appendix. The term ‘boat’ elsewhere in the racing rules means ‘board’ or ‘boat’ as appropriate. A windsurfing event can include one or more of the following disciplines or their formats:

<table>
<thead>
<tr>
<th>Discipline</th>
<th>Formats</th>
</tr>
</thead>
<tbody>
<tr>
<td>Racing</td>
<td>Course racing; slalom; marathon</td>
</tr>
<tr>
<td>Expression</td>
<td>Wave performance; freestyle</td>
</tr>
<tr>
<td>Speed</td>
<td></td>
</tr>
</tbody>
</table>

In expression competition a board’s performance is judged on skill and variety rather than speed and is organized using elimination series. Either wave performance or freestyle competition is organized, depending on the wave conditions at the venue. In speed competition, a ‘round’ consists of one or more speed runs in which the boards take turns sailing the course at intervals. In the racing discipline a marathon race is a race scheduled to last more than one hour.

In racing or expression competition, ‘heat’ means one elimination contest, a ‘round’ consists of one or more heats, and an elimination series consists of one or more rounds.

B1 DEFINITIONS

B1.1 The following additional definitions apply:

**About to Round or Pass** A board is *about to round or pass* a mark when her *proper course* is to begin to manoeuvre to round or pass it.

**Beach Start** When the starting line is on the beach, or so close to the beach that the competitor must stand in the water to *start*, the start is a *beach start*.

**Capsized** A board is *capsized* when her sail or the competitor is in the water.
Appendix B  WINDSURFING COMPETITION RULES

B1.2  The following definitions apply only to expression competition:

*Coming In* and *Going Out*  A board sailing in the same direction as the incoming surf is *coming in*. A board sailing in the direction opposite to the incoming surf is *going out*.

*Jumping*  A board is *jumping* when she takes off at the top of a wave while *going out*.

*Overtaking*  A board is *overtaking* from the moment she gains an *overlap* from *clear astern* until the moment she is *clear ahead* of the *overtaken* board.

*Possession*  The first board sailing shoreward immediately in front of a wave has *possession* of that wave. However, when it is impossible to determine which board is first the *windward* board has *possession*.

*Recovering*  A board is *recovering* from the time her sail or, when water-starting, the competitor is out of the water until she has *steerage way*.

*Surfing*  A board is *surfing* when she is on or immediately in front of a wave while *coming in*.

*Transition*  A board changing *tacks*, or taking off while *coming in*, or one that is not *surfing*, *jumping*, *capsized* or *recovering* is in *transition*.

B2  RULES FOR ALL COMPETITION

*Rule B2 applies to all competition.*

B2.1  Changes to the Rules of Part 4

(a)  Rule 42 is changed to ‘A board shall be propelled only by the action of the wind on the sail, by the action of the water on the hull and by the unassisted actions of the competitor.’

(b)  Add to rule 43.1(a): ‘However, a competitor may wear a drinking container that shall have a capacity of at least one litre and weigh no more than 1.5 kilograms when full.’

(c)  Rule 44.2 is changed so that two turns are replaced by one 360° turn with no requirement for tacks or gybes.

(d)  Add to rule 47.1: ‘except as stated in rule 41.2’. (See rule B4.4.)
Appendix B  WINDSURFING COMPETITION RULES

B2.2  Entry and Qualification

Add to rule 78.1: ‘When so prescribed by the ISAF, a numbered and dated device on a board and her centreboard, fin and rig shall serve as her measurement certificate.’

B2.3  Event Organization

(b) Rules G1.3(a), G1.3(c), G1.3(d) and G1.3(e) are changed to

The class insignia shall be displayed once on each side of the sail in the area above a line projected at right angles from a point on the luff of the sail one-third of the distance from the head to the wishbone. The national letters and sail numbers shall be in the central third of that part of the sail above the wishbone, clearly separated from any advertising. They shall be black and applied back to back on an opaque white background. The background shall extend a minimum of 30 mm beyond the characters. Between the national letters and sail number a ‘–’ and normal spacing shall be applied.

B2.5  Touching a Mark

Rule 31 is changed to ‘A board may touch a mark but shall not hold on to it.’

B2.6  Deleted Rules

B3 RULES FOR RACING COMPETITION

Rule B3 applies to racing competition. Rule B2 also applies.

B3.1 Changes to the Rules of Part 2, Section C

(a) The first sentence of rule 18.1 is changed to ‘Rule 18 applies between boards when they are required to leave a mark on the same side and at least one of them is about to round or pass it.’

(b) Rule 18.2(b) is changed to

If boards are overlapped when the first of them is about to round or pass the mark, the outside board at that moment shall thereafter give the inside board mark-room. If a board is clear ahead when she is about to round or pass the mark, the board clear astern at that moment shall thereafter give her mark-room.

(c) Rule 18.2(c) is changed to

When a board is required to give mark-room by rule 18.2(b), she shall continue to do so even if later an overlap is broken or a new overlap begins. However, if the board entitled to mark-room passes head to wind rule 18.2(b) ceases to apply.

(d) Rule 18.4 is changed to

When an inside overlapped right-of-way board must gybe or bear away at a mark to sail her proper course, until she gybes or bears away she shall sail no farther from the mark than needed to sail that course. Rule 18.4 does not apply at a gate mark.

B3.2 Changes to Other Rules of Part 2

(a) In the preamble of Part 2, ‘rule 23.1’ is changed to ‘rules 23.1 and 23.3’.

(b) Add new rule 16.3:

In slalom racing, a right-of-way board shall not change course during the last 30 seconds before her starting signal if as a result the other board would have to take immediate action to avoid contact.

(c) Rule 22 becomes rule 22.1 and its last sentence is deleted. Add new rule 22.2: ‘A capsized board shall not take an action that hinders another board.’
(d) Rule 23.1 is changed to ‘If reasonably possible, a board not *racing* shall not interfere with a board that is *racing*. After *finishing*, a board shall immediately clear the finishing line and *marks* and avoid boards still *racing*.’

(e) Add new rule 23.3: ‘A board shall not sail in the course area defined in the sailing instructions when races are taking place except in her own race.’

(f) Add new rule 24:

**24 SAIL OUT OF THE WATER WHEN STARTING**

When approaching the starting line to *start*, a board shall have her sail out of the water and in a normal position, except when accidentally *capsized*.

### B3.3 Starting Races

The sailing instructions shall specify one of these starting systems.

(a) **SYSTEM 1**

See rule 26, Starting Races.

(b) **SYSTEM 2**

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<table>
<thead>
<tr>
<th>Signal</th>
<th>Flag and sound</th>
<th>Minutes before starting signal</th>
</tr>
</thead>

(2) After boards have been called to take their positions, the race committee shall make the preparatory signal by displaying a red flag with one sound. The starting signal shall be made, at any time after the preparatory signal, by removing the red flag with one sound.

(3) After the starting signal each board shall take the shortest route from her starting station to her windsurfing position in the water (with both of the competitor’s feet on the board).

B3.4 Other Rules for the Conduct of a Race

Add new rule 29.3:

29.3 Recall for a Slalom Race

(a) When at a board’s starting signal for a slalom race or heat any part of her hull, crew or equipment is on the course side of the starting line, the race committee shall signal a general recall.

(b) If the race committee acts under rule 29.3(a) and the board is identified, she shall be disqualified without a hearing, even if the race or heat is abandoned. The race committee shall hail or display her sail number, and she shall leave the course area immediately. If the race or heat is restarted or resailed, she shall not sail in it.

(c) If a slalom race or heat was completed but was later abandoned by the protest committee and if the race or heat is resailed, a board disqualified under rule 29.3(b) may sail in it.

B4 RULES FOR EXPRESSION COMPETITION

B4.1 Right-of-Way Rules

These rules replace all rules of Part 2.

(a) COMING IN AND GOING OUT

A board coming in shall keep clear of a board going out. When two boards are going out or coming in while on the same wave, or when neither is going out or coming in, a board on port tack shall keep clear of one on starboard tack.
Appendix B  WINDSURFING COMPETITION RULES

(b) BOARDS ON THE SAME WAVE, COMING IN
When two or more boards are on a wave coming in, a board that does not have possession shall keep clear.

(c) CLEAR ASTERN, CLEAR AHEAD AND OVERTAKING
A board clear astern and not on a wave shall keep clear of a board clear ahead. An overtaking board that is not on a wave shall keep clear.

(d) TRANSITION
A board in transition shall keep clear of one that is not. When two boards are in transition at the same time, the one on the other’s port side or the one astern shall keep clear.

B4.2 Starting and Ending Heats
Heats shall be started and ended by using the following signals:

(a) STARTING A HEAT
Each flag shall be removed when the next flag is displayed.

<table>

B4.3 Registration of Sails; Course Area; Heat Duration
(a) Boards shall register with the race committee the colours and other particulars of their sails, or their identification according to another method stated in the sailing instructions, no later than the starting signal for the heat two heats before their own.
Appendix B    WINDSURFING COMPETITION RULES

(b) The course area shall be defined in the sailing instructions and posted on the official notice board no later than 10 minutes before the starting signal for the first heat. A board shall be scored only while sailing in the course area.

(c) Any change in heat duration shall be announced by the race committee no later than 15 minutes before the starting signal for the first heat in the next round.

B4.4 Outside Help

Rule 41 becomes rule 41.1. Add new rule 41.2:

An assistant may provide replacement equipment to a board but shall keep clear of other boards competing. A board whose assistant fails to keep clear shall be penalized. The penalty shall be at the discretion of the protest committee.

B5 ELIMINATION SERIES

Rule B5 applies when an elimination series is organized in which boards compete in heats.

B5.1 Elimination Series Procedure

(a) Competition shall take the form of one or more elimination series. Each of them shall consist of either a maximum of four rounds in a single elimination series where only a number of the best scorers advance, or a maximum of ten rounds in a double elimination series where boards have more than one opportunity to advance.

(b) Boards shall sail one against another in pairs, or in groups determined by the elimination ladder. The selected form of competition shall not be changed while a round remains uncompleted.

B5.2 Seeding and Ranking Lists

(a) When a seeding or ranking list is used to establish the heats of the first round, places 1–8 (four heats) or 1–16 (eight heats) shall be distributed evenly among the heats.

(b) For a subsequent elimination series, if any, boards shall be reassigned to new heats according to the ranking in the previous elimination series.
(c) The organizing authority’s seeding decisions are final and are not grounds for a request for redress.

B5.3 Heat Schedule

The schedule of heats shall be posted on the official notice board no later than 30 minutes before the starting signal for the first heat.

B5.4 Advancement and Byes

(a) In racing and expression competition, the boards in each heat to advance to the next round shall be announced by the race committee no later than 10 minutes before the starting signal for the first heat. The number advancing may be changed by the protest committee as a result of a redress decision.

(b) In expression competition, any first-round byes shall be assigned to the highest-seeded boards.

(c) In wave performance competition, only the winner of each heat shall advance to the next round.

(d) In freestyle competition, boards shall advance to the next round as follows: from an eight-board heat, the best four advance, and the winner will sail against the fourth and the second against the third; from a four-board heat, the best two advance and will sail against each other.

B5.5 Finals

(a) The final shall consist of a maximum of three races. The race committee shall announce the number of races to be sailed in the final no later than five minutes before the warning signal for the first final race.

(b) A runners-up final may be sailed after the final. All boards in the semifinal heats that failed to qualify for the final may compete in it.

B6 RULES FOR SPEED COMPETITION

B6.1 General Rules

All rules of Part 2 are replaced by relevant parts of this rule.
(a) BEACH AND WATER STARTING
A board shall not beach start or water start on the course or in the starting area, except to sail off the course to avoid boards that are starting or racing.

(b) LEAVING THE COURSE AREA
A board leaving the course area shall keep clear of boards racing.

(c) COURSE CONTROL
When the race committee points an orange flag at a board, she shall immediately leave the course area.

(d) RETURNING TO THE STARTING AREA
A board returning to the starting area shall keep clear of the course.

(e) RUN; ROUND
The maximum number of runs to be made by each board in a round shall be announced by the race committee no later than 15 minutes before the starting signal for the first round.

(f) DURATION OF A ROUND
The duration of a round shall be announced by the race committee no later than 15 minutes before the starting signal for the next round.

(g) CONDITIONS FOR ESTABLISHING A RECORD
The minimum distance for a world record is 500 metres. Other records may be established over shorter distances. The course shall be defined by posts and transits ashore or by buoys afloat. Transits shall not converge.

B6.2 Starting System for Speed Competition
Rounds shall be started and ended by using the following signals. Each flag shall be removed when the next flag is displayed.
(a) **STARTING A ROUND**

B6.3 **Penalties**

(a) If a board fails to comply with a warning by the race committee, she may be cautioned and her sail number shall be posted on a notice board near the finishing line.

(b) If a board is cautioned a second time during the same round, she shall be suspended by the race committee from the remainder of the round and her sail number shall be posted on the official notice board.

(c) A board observed in the course area while suspended shall be excluded from the competition without a hearing and none of her previous times or results shall be valid.

(d) Any breach of the verification rules may result in a suspension from the competition for any period.

B6.4 **Verification**

(a) An observer appointed by the World Sailing Speed Record Council (WSSRC) shall be present and verify run times and
speeds at world record attempts. The race committee shall verify run times and speeds at other record attempts.

(b) A competitor shall not enter the timing control area or discuss any timing matter directly with the timing organization. Any timing question shall be directed to the race committee.

**B7 PROTESTS, REDRESS, HEARINGS AND APPEALS**

**B7.1** The first three sentences of rule 61.1(a) are replaced by
A board intending to protest shall inform the other board at the first reasonable opportunity. When her protest concerns an incident in the racing area that she is involved in or sees, she shall hail ‘Protest’. She shall inform the race committee of her intention to protest immediately after she finishes or retires.

**B7.2** In an elimination series, protests and requests for redress shall be made orally immediately following the heat in which the incident occurred. The protest committee may take evidence in any way it considers appropriate and may communicate its decision orally.

**B7.3** Add new rule 62.1(e): ‘a board that failed to keep clear and caused capsize of the other board.’

**B7.4** Add new rule 70.7: ‘Appeals are not permitted in disciplines with elimination series.’

**B8 SCORING**

**B8.1 Overall Scores**
If an event includes more than one discipline or format the sailing instructions shall state how the overall score is to be calculated.

**B8.2 Series Scores**
Rule A2 is changed to
Each board’s series score shall be the total of her race, elimination series or speed round scores with the number of her worst scores excluded as follows:
If a board has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The board with the lowest series score wins and others shall be ranked accordingly. Rules B8.5, B8.6 and B8.7 contain exceptions to this rule.

B8.3 Scoring Systems
Add to the end of the first sentence of rule A4.2: ‘or, in an elimination series, the number of boards in that heat’.

B8.4 Uncompleted Heat
When a heat cannot be completed, the points for the unscored places shall be added together and divided by the number of places in that heat. The resulting number of points, to the nearest tenth of a point (0.05 to be rounded upward), shall be given to each board entered in the heat.

B8.5 Scoring a Final Series in Slalom Racing
(a) If three final races are completed, a board’s series score in the final shall be the total of her race scores excluding her worst score. Otherwise her series score shall be the total of her race scores.
(b) A board that did not start, did not finish, retired after finishing or was disqualified from a final race shall be scored points equal to the total number of boards entered in the final.

B8.6 Expression Competition Scoring
(a) Expression competition shall be scored by a panel of three judges. However, the panel may have a greater odd number of members, and there may be two such panels. Each judge shall
give points for each manoeuvre based on the scale stated in the sailing instructions.

(b) The criteria of scoring shall be decided by the race committee and announced on the official notice board no later than 30 minutes before the starting signal for the first heat.

(c) A board’s heat standing shall be determined by adding together the points given by each judge. The board with the highest score wins and others shall be ranked accordingly.

(d) Both semifinal heats shall have been sailed for an elimination series to be valid.

(e) Except for members of the race committee responsible for scoring the event, only competitors in the heat shall be allowed to see judges’ score sheets for the heat. Each score sheet shall bear the full name of the judge.

(f) Scoring decisions of the judges shall not be grounds for a request for redress by a board.

**B8.7 Speed Competition**

The speeds of a board’s fastest two runs in a round shall be averaged to determine her standing in that round. The board with the highest average wins and others shall be ranked accordingly.

**B8.8 Series Ties**

(a) **RACING AND SPEED COMPETITION**

Rule A8 is changed as follows for racing and speed competition:

1. Add new rule A8.1: ‘If there is a series-score tie between two or more boards, it shall be broken in favour of the board(s) with the best single excluded race score(s).’

2. Rule A8.1 becomes rule A8.2. Its beginning ‘If there is a series-score tie’ is changed to ‘If a tie remains’ and its last sentence is changed to ‘These scores shall be used even if some of them are excluded scores.’

3. Rule A8.2 becomes rule A8.3 and its beginning ‘If a tie remains’ is changed to ‘If a tie still remains’.

(b) **EXPRESSION COMPETITION**

Rule A8 is changed as follows for expression competition:
(1) In a heat, if there is a tie in the total points given by one or more judges, it shall be broken in favour of the board with the higher single score in the priority category. If the categories are weighted equally, in wave performance competition the tie shall be broken in favour of the board with the higher single score in wave riding, and in freestyle competition in favour of the board with the higher score for overall impression. If a tie remains, in wave performance competition it shall be broken in favour of the board with the higher single score in the category without priority, and in freestyle competition it shall stand as the final result.

(2) If there is a tie in the series score, it shall be broken in favour of the board that scored better more times than the other board. All scores shall be used even if some of them are excluded scores.

(3) If a tie still remains, the heat shall be resailed. If this is not possible, the tie shall stand as the final result.
APPENDIX C
MATCH RACING RULES

Match races shall be sailed under The Racing Rules of Sailing as changed by this appendix. Matches shall be umpired unless the notice of race and sailing instructions state otherwise.

C1 TERMINOLOGY
‘Competitor’ means the skipper, team or boat as appropriate for the event. ‘Flight’ means two or more matches started in the same starting sequence.

C2 CHANGES TO THE DEFINITIONS AND THE RULES OF PARTS 2 AND 4
C2.1 The definition Finish is changed to
A boat finishes when any part of her hull, or crew or equipment in normal position, crosses the finishing line in the direction of the course from the last mark after completing any penalties. However, when penalties are cancelled under rule C7.2(d) after one or both boats have finished each shall be recorded as finished when she crossed the line.

C2.2 Add to the definition Proper Course: ‘A boat taking a penalty or manoeuvring to take a penalty is not sailing a proper course.’

C2.3 In the definition Zone the distance is changed to two hull lengths.

C2.4 Rule 13 is changed to
13 WHILE TACKING OR GYBING
13.1 After a boat passes head to wind, she shall keep clear of other boats until she is on a close-hauled course.
13.2 After the foot of the mainsail of a boat sailing downwind crosses the centreline she shall keep clear of other boats until her mainsail has filled.
13.3 While rule 13.1 or 13.2 applies, rules 10, 11 and 12 do not. However, if two boats are subject to rule 13.1 or 13.2 at the same time, the one on the other’s port side or the one astern shall keep clear.
C2.5 Rule 16.2 is deleted.

C2.6 Rule 18.3 is changed to
If two boats were on opposite tacks and one of them changes tack and as a result is subject to rule 13.1 in the zone when the other is fetching the mark, rule 18.2 does not thereafter apply. If, once the boat that changed tack has completed her tack,
(a) the other boat cannot by luffing avoid becoming overlapped inside her, she is entitled to mark-room, the boat that changed tack shall keep clear and rule 15 does not apply;
(b) the other boat can by luffing avoid becoming overlapped inside her, the boat that changed tack is entitled to mark-room.

C2.7 When rule 20 applies, the following arm signals by the helmsman are required in addition to the hails:
(a) for ‘Room to tack’, repeatedly and clearly pointing to windward; and
(b) for ‘You tack’, repeatedly and clearly pointing at the other boat and waving the arm to windward.

C2.8 Rule 23.1 is changed to ‘If reasonably possible, a boat not racing shall not interfere with a boat that is racing or an umpire boat.’

C2.9 Add new rule 23.3: ‘When boats in different matches meet, any change of course by either boat shall be consistent with complying with a rule or trying to win her own match.’

C2.10 Add to the preamble of Part 4: ‘Rule 42 shall also apply between the warning and preparatory signals.’

C2.11 Rule 42.2(d) is changed to ‘sculling: repeated movement of the helm to propel the boat forward;’

C2.12 Rule 18.2(e) is changed to ‘If a boat obtained an inside overlap and, from the time the overlap began, the outside boat has been unable to give mark-room, she is not required to give it.’

C3 RACE SIGNALS AND CHANGES TO RELATED RULES

C3.1 Starting Signals
The signals for starting a match shall be as follows. Times shall be taken from the visual signals; the failure of a sound signal shall be
Appendix C MATCH RACING RULES

*Within a flight, numeral pennant 1 means Match 1, pennant 2 means Match 2, etc., unless the sailing instructions state otherwise.

**These signals shall be made only if one or both boats fail to comply with rule C4.2. The flag(s) shall be displayed until the umpires have signalled a penalty or for one minute, whichever is earlier.

C3.2 Changes to Related Rules

(a) Rule 29.1 is changed to

(1) When at a boat’s starting signal any part of her hull, crew or equipment is on the course side of the starting line or one of its extensions, the race committee shall promptly display a blue or yellow flag identifying the boat with one sound. The flag shall be displayed until the boat is completely on the pre-start side of the starting line or one of its extensions or until two minutes after her starting signal, whichever is earlier.

(2) When at a boat’s starting signal no part of her hull, crew or equipment is on the course side of the starting line or one of its extensions, and before she starts she sails to the course side across an extension, the race committee shall promptly display a blue or yellow flag identifying the boat. The flag shall be displayed until the boat is completely on the pre-start side of the starting line or one
of its extensions or until two minutes after her starting signal, whichever is earlier.

(b) In the race signal AP the last sentence is changed to ‘The attention signal will be made 1 minute after removal unless at that time the race is postponed again or abandoned.’

(c) In the race signal N the last sentence is changed to ‘The attention signal will be made 1 minute after removal unless at that time the race is abandoned again or postponed.’

C3.3 Finishing Line Signals
The race signal Blue flag or shape shall not be used.

C4 REQUIREMENTS BEFORE THE START

C4.1 At her preparatory signal, each boat shall be outside the line that is at a 90º angle to the starting line through the starting mark at her assigned end. In the race schedule pairing list, the boat listed on the left-hand side is assigned the port end and shall display a blue flag at her stern while racing. The other boat is assigned the starboard end and shall display a yellow flag at her stern while racing.

C4.2 Within the two-minute period following her preparatory signal, a boat shall cross and clear the starting line, the first time from the course side to the pre-start side.

C5 SIGNALS BY UMPIRES

C5.1 A green and white flag with one long sound means ‘No penalty’.

C5.2 A blue or yellow flag identifying a boat with one long sound means ‘The identified boat shall take a penalty by complying with rule C7.’

C5.3 A red flag with or soon after a blue or yellow flag with one long sound means ‘The identified boat shall take a penalty by complying with rule C7.3(d).’

C5.4 A black flag with a blue or yellow flag and one long sound means ‘The identified boat is disqualified, and the match is terminated and awarded to the other boat.’

C5.5 One short sound means ‘A penalty is now completed.’
Appendix C  MATCH RACING RULES

C5.6 Repetitive short sounds mean ‘A boat is no longer taking a penalty and the penalty remains.’

C5.7 A blue or yellow flag or shape displayed from an umpire boat means ‘The identified boat has an outstanding penalty.’

C6  PROTESTS AND REQUESTS FOR REDRESS BY BOATS

C6.1 A boat may protest another boat
(a) under a rule of Part 2, except rule 14, by clearly displaying flag Y immediately after an incident in which she was involved;
(b) under any rule not listed in rule C6.1(a) or C6.2 by clearly displaying a red flag as soon as possible after the incident.

C6.2 A boat may not protest another boat under
(a) rule 14, unless damage or injury results;
(b) a rule of Part 2, unless she was involved in the incident;
(c) rule 31 or 42; or
(d) rule C4 or C7.

C6.3 A boat intending to request redress because of circumstances that arise before she finishes or retires shall clearly display a red flag as soon as possible after she becomes aware of those circumstances, but no later than two minutes after finishing or retiring.

C6.4 (a) A boat protesting under rule C6.1(a) shall remove flag Y before or as soon as possible after the umpires’ signal.
(b) A boat protesting under rule C6.1(b) or requesting redress under rule C6.3 shall, for her protest or request to be valid, keep her red flag displayed until she has so informed the umpires after finishing or retiring. No written protest or request for redress is required.

C6.5 Umpire Decisions
(a) After flag Y is displayed, the umpires shall decide whether to penalize any boat. They shall signal their decision in compliance with rule C5.1, C5.2 or C5.3.
(b) The red-flag penalty in rule C5.3 shall be used when a boat has gained a controlling position as a result of breaking a rule, but
the umpires are not certain that the conditions for an additional umpire-initiated penalty have been fulfilled.

C6.6 Protest Committee Decisions

(a) The protest committee may take evidence in any way it considers appropriate and may communicate its decision orally.

(b) If the protest committee decides that a breach of a rule has had no significant effect on the outcome of the match, it may
   (1) impose a penalty of one point or part of one point;
   (2) order a resail; or
   (3) make another arrangement it decides is equitable, which may be to impose no penalty.

(c) The penalty for breaking rule 14 when damage or injury results will be at the discretion of the protest committee, and may include exclusion from further races in the event.

C7 PENALTY SYSTEM

C7.1 Deleted Rule

Rule 44 is deleted.

C7.2 All Penalties

(a) A penalized boat may delay taking a penalty within the limitations of rule C7.3 and shall take it as follows:
   (1) When on a leg of the course to a windward mark, she shall gybe and, as soon as reasonably possible, luff to a close-hauled course.
   (2) When on a leg of the course to a leeward mark or the finishing line, she shall tack and, as soon as reasonably possible, bear away to a course that is more than ninety degrees from the true wind.

(b) Add to rule 2: ‘When racing, a boat need not take a penalty unless signalled to do so by an umpire.’

(c) A boat completes a leg of the course when her bow crosses the extension of the line from the previous mark through the mark she is rounding, or on the last leg when she finishes.

(d) A penalized boat shall not be recorded as having finished until she takes her penalty and sails completely to the course side of
the line and then *finishes*, unless the penalty is cancelled before or after she crosses the finishing line.

(e) If a boat has one or two outstanding penalties and the other boat in her match is penalized, one penalty for each boat shall be cancelled except that a red-flag penalty shall not cancel or be cancelled by another penalty.

(f) If a boat has more than two outstanding penalties, the umpires shall signal her disqualification under rule C5.4.

**C7.3 Penalty Limitations**

(a) A boat taking a penalty that includes a tack shall have the spinnaker head below the main-boom gooseneck from the time she passes head to wind until she is on a close-hauled course.

(b) No part of a penalty may be taken inside the *zone* of a rounding *mark* that begins, bounds or ends the leg the boat is on.

(c) If a boat has one outstanding penalty, she may take the penalty any time after *starting* and before *finishing*. If a boat has two outstanding penalties, she shall take one of them as soon as reasonably possible, but not before *starting*.

(d) When the umpires display a red flag with or soon after a penalty flag, the penalized boat shall take a penalty as soon as reasonably possible, but not before *starting*.

**C7.4 Taking and Completing Penalties**

(a) When a boat with an outstanding penalty is on a leg to a windward *mark* and gybes, or is on a leg to a leeward *mark* or the finishing line and passes head to wind, she is taking a penalty.

(b) When a boat taking a penalty either does not take the penalty correctly or does not complete the penalty as soon as reasonably possible, she is no longer taking a penalty. The umpires shall signal this as required by rule C5.6.

(c) The umpire boat for each match shall display blue or yellow flags or shapes, each flag or shape indicating one outstanding penalty. When a boat has taken a penalty, or a penalty has been cancelled, one flag or shape shall be removed. Failure of the umpires to display or remove flags or shapes shall not change the number of penalties outstanding.
C8 PENALTIES INITIATED BY UMPIRES

C8.1 Rule Changes
(a) Rules 60.2(a) and 60.3(a) do not apply to rules for which penalties may be imposed by umpires.
(b) Rule 64.1(c) is changed so that the provision for exonerating a boat may be applied by the umpires without a hearing, and it takes precedence over any conflicting rule of this appendix.

C8.2 When the umpires decide that a boat has broken rule 31, 42, C4, C7.3(c) or C7.3(d) she shall be penalized by signalling her under rule C5.2 or C5.3. However, if a boat is penalized for breaking a rule of Part 2 and if she in the same incident breaks rule 31, she shall not be penalized for breaking rule 31. Furthermore, a boat that displays an incorrect flag or does not display the correct flag shall be warned orally and given an opportunity to correct the error before being penalized.

C8.3 When the umpires decide that a boat has
(a) gained an advantage by breaking a rule after allowing for a penalty,
(b) deliberately broken a rule, or
(c) committed a breach of sportsmanship,
she shall be penalized under rule C5.2, C5.3 or C5.4.

C8.4 If the umpires or protest committee members decide that a boat may have broken a rule other than those listed in rules C6.1(a) and C6.2, they shall so inform the protest committee for its action under rule 60.3 and rule C6.6 when appropriate.

C8.5 When, after one boat has started, the umpires are satisfied that the other boat will not start, they may signal under rule C5.4 that the boat that did not start is disqualified and the match is terminated.

C8.6 When the match umpires, together with at least one other umpire, decide that a boat has broken rule 14 and damage resulted, they may impose a half-point penalty without a hearing. The competitor shall be informed of the penalty as soon as practicable and may request a hearing. The protest committee shall then proceed under rule C6.6. Any penalty decided by the protest committee may be more than half
a point. When the umpires decide that a penalty greater than half a point is appropriate, they shall act under rule C8.4.

C9 REQUESTS FOR REDRESS OR REOPENING; APPEALS; OTHER PROCEEDINGS

C9.1 There shall be no request for redress or an appeal from a decision made under rule C5, C6, C7 or C8. In rule 66 the third sentence is changed to ‘A party to the hearing may not ask for a reopening.’

C9.2 A competitor may not base a request for redress on a claim that an action by an official boat was improper. The protest committee may decide to consider giving redress in such circumstances but only if it believes that an official boat, including an umpire boat, may have seriously interfered with a competing boat.

C9.3 No proceedings of any kind may be taken in relation to any action or non-action by the umpires, except as permitted in rule C9.2.

C10 SCORING

C10.1 The winning competitor of each match scores one point (half a point each for a dead heat); the loser scores no points.

C10.2 When a competitor withdraws from part of an event the scores of all completed races shall stand.

C10.3 When a multiple round robin is terminated with an incomplete round robin, only one point shall be available for all the matches sailed between any two competitors, as follows:

<table>
<thead>
<tr>
<th>Number of matches completed between any two competitors</th>
<th>Points for each win</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>One point</td>
</tr>
<tr>
<td>2</td>
<td>Half a point</td>
</tr>
<tr>
<td>3</td>
<td>A third of a point</td>
</tr>
<tr>
<td>(etc.)</td>
<td></td>
</tr>
</tbody>
</table>

C10.4 In a round-robin series,

(a) competitors shall be placed in order of their total scores, highest score first;
(b) a competitor who has won a match but is disqualified for breaking a rule against a competitor in another match shall lose the point for that match (but the losing competitor shall not be awarded the point); and

(c) the overall position between competitors who have sailed in different groups shall be decided by the highest score.

C10.5 In a knockout series the sailing instructions shall state the minimum number of points required to win a series between two competitors. When a knockout series is terminated it shall be decided in favour of the competitor with the higher score.

C11 TIES

C11.1 Round-Robin Series

In a round-robin series competitors are assigned to one or more groups and scheduled to sail against all other competitors in their group one or more times. Each separate stage identified in the event format shall be a separate round-robin series irrespective of the number of times each competitor sails against each other competitor in that stage.

Ties between two or more competitors in a round-robin series shall be broken by the following methods, in order, until all ties are broken. When one or more ties are only partially broken, rules C11.1(a) to C11.1(e) shall be reapplied to them. Ties shall be decided in favour of the competitor(s) who

(a) placed in order, has the highest score in the matches between the tied competitors;

(b) when the tie is between two competitors in a multiple round robin, has won the last match between the two competitors;

(c) has the most points against the competitor placed highest in the round-robin series or, if necessary, second highest, and so on until the tie is broken. When two separate ties have to be resolved but the resolution of each depends upon resolving the other, the following principles shall be used in the rule C11.1(c) procedure:

(1) the higher-place tie shall be resolved before the lower-place tie, and
Appendix C MATCH RACING RULES

(2) all the competitors in the lower-place tie shall be treated as a single competitor for the purposes of rule C11.1(c);

(d) after applying rule C10.4(c), has the highest place in the different groups, irrespective of the number of competitors in each group;

(e) has the highest place in the most recent stage of the event (fleet race, round robin, etc.).

C11.2 Knockout Series

Ties (including 0–0) between competitors in a knockout series shall be broken by the following methods, in order, until the tie is broken. The tie shall be decided in favour of the competitor who

(a) has the highest place in the most recent round-robin series, applying rule C11.1 if necessary;

(b) has won the most recent match in the event between the tied competitors.

C11.3 Remaining Ties

When rule C11.1 or C11.2 does not resolve a tie,

(a) if the tie needs to be resolved for a later stage of the event (or another event for which the event is a direct qualifier), the tie shall be broken by a sail-off when practicable. When the race committee decides that a sail-off is not practicable, the tie shall be decided in favour of the competitor who has the highest score in the round-robin series after eliminating the score for the first race for each tied competitor or, should this fail to break the tie, the second race for each tied competitor and so on until the tie is broken. When a tie is partially resolved, the remaining tie shall be broken by reapplying rule C11.1 or C11.2.

(b) to decide the winner of an event that is not a direct qualifier for another event, or the overall position between competitors eliminated in one round of a knockout series, a sail-off may be used (but not a draw).
(c) when a tie is not broken any monetary prizes or ranking points for tied places shall be added together and divided equally among the tied competitors.

*Note: A Standard Notice of Race and Standard Sailing Instructions for match racing are available from the ISAF.*
APPENDIX D
TEAM RACING RULES

Team races shall be sailed under The Racing Rules of Sailing as changed by this appendix. If umpires will be used the sailing instructions shall so state.

D1 CHANGES TO THE RACING RULES

D1.1 Changes to the Definitions and the Rules of Part 2
(a) In the definition Zone the distance is changed to two hull lengths.
(b) The second sentence of rule 18.2(b) is changed to ‘If a boat is clear ahead when she reaches the zone, or she later becomes clear ahead when another boat passes head to wind, the boat clear astern at that moment shall thereafter give her mark-room.’
(c) Rule 18.4 is deleted.
(d) Add new rule 23.3: ‘A boat that has finished shall not act to interfere with a boat that has not finished.’
(e) Add new rule 23.4: ‘When boats in different races meet, any change of course by either boat shall be consistent with complying with a rule or trying to win her own race.’

D1.2 Other Additional Rules
(a) There shall be no penalty for breaking a rule of Part 2 when the incident is between boats on the same team and there is no contact.
(b) Add to rule 41: ‘However, a boat may receive help from another boat on her team provided electronic communication is not used.’
(c) A boat is not eligible for redress based on damage or injury caused by another boat on her team.
(d) The first sentence of rule 45 is deleted.
D2 PROTESTS AND PENALTIES

D2.1 Protests and Exoneration

(a) Rule 60.1(a) is changed to ‘protest another boat, but not for an alleged breach of a rule of Part 2 unless she was involved in the incident or the incident involved contact between members of the other team; or’.

(b) The third sentence of rule 61.1(a) and all of rule 61.1(a)(2) are deleted.

(c) A boat that, while racing, may have broken a rule of Part 2 (except rule 14 when she has caused damage or injury) or rule 42 may take a One-Turn Penalty under rule 44.2.

(d) The sailing instructions may state that rule D2.4(b) applies to all protests.

D2.2 Umpired Races

Races to be umpired shall be identified either in the sailing instructions or by the display of flag U no later than the warning signal.

(a) When a boat protests under a rule of Part 2 or under rule 31, 42 or 44, she is not entitled to a hearing. Instead, when the protested boat fails either to acknowledge breaking a rule or to take the appropriate penalty, the protesting boat may request a decision by conspicuously displaying a yellow flag and hailing ‘Umpire’.

(b) An umpire shall signal a decision as follows:

(1) A green and white flag or a green flag means ‘No penalty’.

(2) A red flag means ‘One or more boats are penalized.’ The umpire shall hail or signal to identify each boat to be penalized.

(c) A boat penalized under rule D2.2(b)(2) shall take a Two-Turns Penalty under rule 44.2.

(d) PENALTIES INITIATED BY UMPIRES

An umpire may take action without a protest by another boat when

(1) a boat breaks rule 31 or 42, or a rule of Part 2 through contact with another boat on her team, and does not take a penalty;
(2) a boat fails to comply with rule D2.2(c);
(3) a boat commits a breach of sportsmanship;
(4) a boat breaks rule 14 when damage or injury may have been caused; or
(5) a boat or her team gains an advantage despite taking a penalty.

The umpire may impose a penalty of one or more turns, each including one tack and one gybe, signalled by displaying a red flag and hailing the boat accordingly, or report the incident to the protest committee, signalled by displaying a black flag, or both.

D2.3 Alternative Umpiring Rules

Each of these rules applies only if the sailing instructions so state.

(a) SINGLE-FLAG PROTEST PROCEDURE
Rule D2.2(a) is replaced by
When a boat protests under a rule of Part 2 or under rule 31, 42 or 44, she is not entitled to a hearing. Instead, a boat involved in the incident may promptly acknowledge breaking a rule and take the appropriate penalty. If no boat takes a penalty, an umpire shall decide whether any boat has broken a rule, and shall signal the decision in compliance with rule D2.2(b).

(b) RACES WITH LIMITED UMPIRING
Rule D2.2 applies, except that when a boat complies with rule D2.2(a) and either there is no decision signalled or an umpire displays a yellow flag signalling he has insufficient facts to decide, the protesting boat is entitled to a hearing.

D2.4 Additional Protest and Redress Rules When Races Are Umpired

(a) Neither the race committee nor the protest committee shall protest a boat for breaking a rule listed in rule D2.2(a). However, upon receipt of a report from any source, the protest committee may protest a boat under rule 14 when damage or injury is alleged.

(b) Protests and requests for redress need not be in writing. The protest committee may take evidence in any way it considers appropriate and may communicate its decision orally.
(c) There shall be no request for redress or appeal by a boat arising from a decision, action or non-action by an umpire. The protest committee may decide to consider giving redress when it believes that an official boat, including an umpire boat, may have seriously interfered with a competing boat.

D3 SCORING A RACE

D3.1 (a) Each boat finishing a race, whether or not rule 28.1 has been complied with, shall be scored points equal to her finishing place. All other boats shall be scored points equal to the number of boats entitled to race.

(b) In addition, a boat’s points shall be increased as follows:

<table>
<thead>
<tr>
<th>Rule broken</th>
<th>Penalty points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rule 28.1 when as a result she or her team has gained an advantage</td>
<td>10</td>
</tr>
<tr>
<td>Any other rule broken while racing for which a penalty has not been taken</td>
<td>6</td>
</tr>
</tbody>
</table>

(c) After a hearing the protest committee may penalize as follows:

(1) When a boat has broken a rule and as a result her team has gained an advantage, it may increase that boat’s points.

(2) When a boat has broken rule 1 or 2, rule 14 when she has caused damage or injury, or a rule when not racing, it may penalize the boat’s team by half or more race wins, or it may impose no penalty.

(d) The team with the lower total points wins the race. If the totals are equal, the team that did not have the first-place boat wins.

D3.2 When all boats on one team have finished, retired or failed to start, the race committee may stop the race. The other team’s boats racing at that time shall be scored the points they would have received had they finished.

D4 SCORING A SERIES

D4.1 When two or more teams are competing in a series, the winner shall be the team scoring the greatest number of race wins. The other teams shall be ranked in order of number of race wins.
Appendix D  TEAM RACING RULES

D4.2 When necessary, ties in a completed series shall be broken using, in order,
(a) the number of races won when the tied teams met;
(b) the points scored when the tied teams met;
(c) if two teams remain tied, the last race between them;
(d) total points scored in all races against common opponents;
(e) a sail-off if possible, otherwise a game of chance.
If a tie is partially resolved by one of these, then the remaining tie shall be broken by starting again at rule D4.2(a).

D4.3 If a series is not completed, teams shall be ranked according to the results from completed rounds, and ties shall be broken whenever possible using the results from races between the tied teams in the incomplete round. If no round has been completed, teams shall be ranked in order of their percentages of races won. Other ties shall be broken as provided in rule D4.2.

D5  BREAKDOWNS WHEN BOATS ARE SUPPLIED BY THE ORGANIZING AUTHORITY

D5.1 A supplied boat suffering a breakdown, and seeking redress as a result, shall display a red flag at the first reasonable opportunity and, if possible, continue racing. The race committee shall decide redress as provided in rules D5.2 and D5.3.

D5.2 When the race committee decides that the boat’s finishing position was made significantly worse, that the breakdown was through no fault of the crew, and that in the same circumstances a reasonably competent crew would not have been able to avoid the breakdown, it shall make as equitable a decision as possible. This may be to order the race to be resailed or, when the boat’s finishing position was predictable, award her points for that position. Any doubt about a boat’s position when she broke down shall be resolved against her.

D5.3 A breakdown caused by defective supplied equipment or a breach of a rule by an opponent shall not normally be determined to be the fault of the crew, but one caused by careless handling, capsizing or a breach by a boat on the same team shall be. Any doubt about the fault of the crew shall be resolved in the boat’s favour.
APPENDIX E
RADIO-CONTROLLED BOAT RACING RULES

Races for radio-controlled boats shall be sailed under The Racing Rules of Sailing as changed by this appendix.

E1 TERMINOLOGY, RACE SIGNALS, DEFINITIONS AND FUNDAMENTAL RULES

E1.1 Terminology
‘Boat’ means a boat that is radio-controlled by a competitor who is not on board. For ‘race’ used as a noun outside this appendix and outside Appendix A read ‘heat’. In this appendix, a race consists of one or more heats and is completed when the last heat in the race is finished. An ‘event’ consists of one or more races.

E1.2 Race Signals
The section Race Signals is deleted. All signals shall be made orally or by other sounds described in this appendix or the sailing instructions.

E1.3 Definitions
(a) Add to the definition Interested Party: ‘but not a competitor when acting as an observer’.
(b) In the definition Zone the distance is changed to four hull lengths.

E1.4 Personal Flotation Devices
Rule 1.2 is changed to ‘When on board a rescue boat, each competitor is responsible for wearing a personal flotation device adequate for the conditions.’

E1.5 Aerials
Transmitter aerial extremities shall be adequately protected. When a protest committee finds that a competitor has broken this rule it shall either warn him and give him time to comply or penalize him.
E2  PART 2  WHEN BOATS MEET

Rule 22 is changed to

22  CAPSIZED OR ENTANGLED

If possible, a boat shall avoid a boat that is capsized or entangled, or has not regained control after capsizing or entanglement. A boat is capsized when her masthead is in the water. Two or more boats are entangled when lying together for a period of time so that no boat is capable of manoeuvring to break free of the other(s).

E3  PART 3  CONDUCT OF A RACE

E3.1  Races with Observers

The race committee may appoint race observers, who may be competitors. They shall remain in the control area while boats are racing and they shall hail and repeat the identity of boats that contact a mark or another boat. Such hails shall be made from the control area. Observers shall report all unresolved incidents to the race committee at the end of the heat.

E3.2  Course Board

Rule J2.1(4) is deleted. A course board showing the course and the limits of the control area and launching area(s) shall be located next to or within the control area with information clearly visible to competitors while racing.

E3.3  Control and Launching Areas

The control and launching area(s) shall be defined by the sailing instructions. Competitors racing shall remain in the control area while a heat is in progress, except that competitors may briefly go to and return from the launching area to perform functions permitted in rule E4.5. Competitors not racing shall remain outside the control and launching areas except when offering assistance under rule E4.2 or when acting as race observers.

E3.4  Deleted Rules

The second sentence of rule 25 and all of rule 33 are deleted.
E3.5 Starting Races

Rule 26 is changed to

Audible signals for starting a heat shall be at one-minute intervals and shall be a warning signal, a preparatory signal and a starting signal. During the minute before the starting signal, oral signals shall be made at ten-second intervals, and during the final ten seconds at one-second intervals. Each signal shall be timed from the beginning of its sound.

E3.6 Starting Penalties

In rules 29.1 and 30 the word ‘crew’ is deleted. Throughout rule 30 oral announcements shall be used instead of flag signals.

E3.7 Starting and Finishing Lines

The starting and finishing lines shall be tangential to, and on the course side of, the starting and finishing marks.

E3.8 Individual Recall

In rule 29.1 replace all after ‘the race committee shall promptly’ with ‘twice hail “Recall (sail numbers)” ’.

E3.9 General Recall

In rule 29.2 replace all after ‘the race committee may’ with ‘twice hail “General recall” and make two loud sounds. The warning signal for a new start for the recalled class shall be made shortly thereafter, and the starts for any succeeding classes shall follow the new start.’

E5.8 **Penalties**

When a protest committee finds that a boat has broken rule E3.3, E4.2(a) or E4.5, it shall either disqualify her from her next race or require her to make one or more penalty turns in her next race as soon as possible after starting.

E5.9 **Decisions on Redress**

E6 **APPENDIX G  IDENTIFICATION ON SAILS**

Appendix G is changed as follows:

(a) The text of rule G1.1 before rule G1.1(a) is changed to

Every boat of a class administered by ISAF Radio Controlled Sailing shall display a sail number on both sides of each sail. Class insignia and national letters shall be displayed on mainsails as stated in rules G1.1(a), G1.1(b) and E6(f)(1).

(b) Rule G1.1(c) is changed to

a sail number, which shall be the last two digits of the boat registration number or the competitor’s personal number allotted by the relevant issuing authority. A single-digit number shall be prefixed with a ‘0’. There
shall be space in front of a sail number for the prefix ‘1’, which may be required by the race committee where there is a conflict between sail numbers. Where a conflict remains, the race committee shall require that sail numbers be suitably changed until the conflict is resolved. Any prefix ‘1’ or other required change shall become part of the sail number.

(c) The sentence after rule G1.1(c) is deleted.

(d) Rule G1.2(b) is changed to

The height of characters and distance between them on the same and opposite sides of the sail shall be as follows:

(e) Rule G1.3 is changed to

1. Class insignia may be positioned back to back on opposite sides of the sail where the design coincides. Otherwise class insignia, sail numbers and national letters shall be positioned at different heights, with those on the starboard side being uppermost.

2. On a mainsail, sail numbers shall be positioned above the national letters and below the class insignia.

3. Sail numbers shall be positioned on a mainsail above the line perpendicular to the luff through the quarter leech point.

(f) Where the size of a sail makes it impossible to comply with the minimum dimensions in rule E6(d) or the positioning requirements in rule E6(e)(3), exceptions are permitted in the following order of priority:

1. omission of national letters;

2. position of the mainsail sail numbers lower than the line perpendicular to the luff through the quarter leech point;

3. reduction of the shortest distance between sail numbers on opposite sides of the sail provided the shortest distance is not less than 20 mm;

4. reduction of the height of sail numbers.
APPENDIX F

In that case it shall require the committee to provide additional facts or other information, or to reopen the hearing and report any new finding of facts, and the committee shall promptly do so.

**F6 WITHDRAWING AN APPEAL**

An appellant may withdraw an appeal before it is decided by accepting the protest committee’s decision.
APPENDIX G
IDENTIFICATION ON SAILS

See rule 77.

G1 ISAF INTERNATIONAL CLASS BOATS
G1.1 Identification

Every boat of an ISAF International Class or Recognized Class shall carry on her mainsail and, as provided in rules G1.3(d) and G1.3(e) for letters and numbers only, on her spinnaker and headsail

(a) the insignia denoting her class;

(b) at all international events, except when the boats are provided to all competitors, national letters denoting her national authority from the table below. For the purposes of this rule, international events are ISAF events, world and continental championships, and events described as international events in their notices of race and sailing instructions; and

(c) a sail number of no more than four digits allotted by her national authority or, when so required by the class rules, by the international class association. The four-digit limitation does not apply to classes whose ISAF membership or recognition took effect before 1 April 1997. Alternatively, if permitted in the class rules, an owner may be allotted a personal sail number by the relevant issuing authority, which may be used on all his boats in that class.

Sails measured before 31 March 1999 shall comply with rule G1.1 or with the rules applicable at the time of measurement.

### G1.2 Specifications

(a) National letters and sail numbers shall be in capital letters and Arabic numerals, clearly legible and of the same colour. Commercially available typefaces giving the same or better legibility than Helvetica are acceptable.

(b) The height of characters and space between adjoining characters on the same and opposite sides of the sail shall be related to the boat’s overall length as follows:
**G1.3 Positioning**

Class insignia, national letters and sail numbers shall be positioned as follows:

(a) Except as provided in rules G1.3(d) and G1.3(e), class insignia, national letters and sail numbers shall when possible be wholly above an arc whose centre is the head point and whose radius is 60% of the leech length. They shall be placed at different heights on the two sides of the sail, those on the starboard side being uppermost.

(b) The class insignia shall be placed above the national letters. If the class insignia is of such a design that two of them coincide when placed back to back on both sides of the sail, they may be so placed.

(c) National letters shall be placed above the sail number.

(d) The national letters and sail number shall be displayed on the front side of a spinnaker but may be placed on both sides. They shall be displayed wholly below an arc whose centre is the head point and whose radius is 40% of the foot median and, when possible, wholly above an arc whose radius is 60% of the foot median.

(e) The national letters and sail number shall be displayed on both sides of a headsail whose clew can extend behind the mast 30% or more of the mainsail foot length. They shall be displayed wholly below an arc whose centre is the head point and whose radius is half the luff length and, if possible, wholly above an arc whose radius is 75% of the luff length.
G2 OTHER BOATS
Other boats shall comply with the rules of their national authority or class association in regard to the allotment, carrying and size of insignia, letters and numbers. Such rules shall, when practicable, conform to the above requirements.

G3 CHARTERED OR LOANED BOATS
When so stated in the notice of race or sailing instructions, a boat chartered or loaned for an event may carry national letters or a sail number in contravention of her class rules.

G4 WARNINGS AND PENALTIES
When a protest committee finds that a boat has broken a rule of this appendix it shall either warn her and give her time to comply or penalize her.

G5 CHANGES BY CLASS RULES
ISAF classes may change the rules of this appendix provided the changes have first been approved by the ISAF.
APPENDIX H
WEIGHING CLOTHING AND EQUIPMENT

See rule 43. This appendix shall not be changed by sailing instructions or prescriptions of national authorities.

H1 Items of clothing and equipment to be weighed shall be arranged on a rack. After being saturated in water the items shall be allowed to drain freely for one minute before being weighed. The rack must allow the items to hang as they would hang from clothes hangers, so as to allow the water to drain freely. Pockets that have drain-holes that cannot be closed shall be empty, but pockets or items that can hold water shall be full.

H2 When the weight recorded exceeds the amount permitted, the competitor may rearrange the items on the rack and the equipment inspector or measurer shall again soak and weigh them. This procedure may be repeated a second time if the weight still exceeds the amount permitted.

H3 A competitor wearing a dry suit may choose an alternative means of weighing the items.

(a) The dry suit and items of clothing and equipment that are worn outside the dry suit shall be weighed as described above.

(b) Clothing worn underneath the dry suit shall be weighed as worn while racing, without draining.

(c) The two weights shall be added together.

APPENDIX K
NOTICE OF RACE GUIDE

This guide provides a notice of race designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. It can be downloaded from the ISAF website (www.sailing.org) as a basic text for producing a notice of race for any particular event.

The guide can also be useful for other events. However, for such events some of the paragraphs will be unnecessary or undesirable. Organizing authorities should therefore be careful in making their choices.

This guide relates closely to Appendix L, Sailing Instructions Guide, and its expanded version Appendix LE on the ISAF website, the introduction to which contains principles that also apply to a notice of race.

To use this guide, first review rule J1 and decide which paragraphs will be needed. Paragraphs that are required by rule J1.1 are marked with an asterisk (*). Delete all inapplicable or unnecessary paragraphs. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line ( _____ ) appears and select the preferred wording if a choice or option is shown in brackets ([ . . . ]).

After deleting unused paragraphs, renumber all paragraphs in sequential order. Be sure that paragraph numbers are correct where one paragraph refers to another.

The items listed below, when applicable, should be distributed with the notice of race, but should not be included as numbered paragraphs in the notice.

Appendix K NOTICE OF RACE GUIDE
APPENDIX L
SAILING INSTRUCTIONS GUIDE

This guide provides a set of tested sailing instructions designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. The guide can also be useful for other events; however, for such events some of these instructions will be unnecessary or undesirable. Race officers should therefore be careful in making their choices.

An expanded version of the guide, Appendix LE, is available on the ISAF website (www.sailing.org). It contains provisions applicable to the largest and most complicated multi-class events, as well as variations on several of the sailing instructions recommended in this appendix. It will be revised from time to time, to reflect advances in race management techniques as they develop, and can be downloaded as a basic text for producing the sailing instructions for any particular event. Appendix L can also be downloaded from the ISAF website.

The principles on which all sailing instructions should be based are as follows:

1. They should include only two types of statement: the intentions of the race committee and protest committee and the obligations of competitors.

2. They should be concerned only with racing. Information about social events, assignment of moorings, etc., should be provided separately.

3. They should not change the racing rules except when clearly desirable. (When they do so, they must follow rule 86 by referring specifically to the rule being changed and stating the change.)

4. They should not repeat or restate any of the racing rules.

5. They should not repeat themselves.

6. They should be in chronological order; that is, the order in which the competitor will use them.

7. They should, when possible, use words or phrases from the racing rules.
To use this guide, first review rule J2 and decide which instructions will be needed. Instructions that are required by rule J2.1 are marked with an asterisk (*). Delete all inapplicable or unnecessary instructions. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line ( _____ ) appears and select the preferred wording if a choice or option is shown in brackets ([ . . . ]).

After deleting unused instructions, renumber all instructions in sequential order. Be sure that instruction numbers are correct where one instruction refers to another.

On separate lines, insert the full name of the regatta, the inclusive dates from measurement or the practice race until the final race or closing ceremony, the name of the organizing authority, and the city and country.

See rule 86. Either insert here the rule number(s) and state the changes, or, if not using this instruction, do the same in each instruction that changes a rule.

For example, use ‘two’ when the racing area is particularly small or ‘four’ when the boats are particularly fast.

Insert the rule number(s) and class name. Make a separate statement for the rules of each class.

BOATS PROVIDED BY THE ORGANIZING AUTHORITY

(b) wind indicators, including yarn or thread, may be tied or taped anywhere on the boat;
(c) hulls, centreboards and rudders may be cleaned, but only with water;
(d) adhesive tape may be used anywhere above the water line; and
(e) all fittings or equipment designed to be adjusted may be adjusted, provided that the class rules are complied with.

4.2 All equipment provided with the boat for sailing purposes shall be in the boat while afloat.

4.3 The penalty for not complying with one of the above instructions will be disqualification from all races sailed in which the instruction was broken.

4.4 Competitors shall report any damage or loss of equipment, however slight, to the organizing authority’s representative immediately after securing the boat ashore. The penalty for breaking this instruction, unless the [protest committee] [jury] is satisfied that the competitor made a determined effort to comply, will be disqualification from the race most recently sailed.

4.5 Class rules requiring competitors to be members of the class association will not apply.
APPENDIX M
RECOMMENDATIONS FOR PROTEST COMMITTEES

This appendix is advisory only; in some circumstances changing these procedures may be advisable. It is addressed primarily to protest committee chairmen but may also help judges, protest committee secretaries, race committees and others connected with protest and redress hearings.

In a protest or redress hearing, the protest committee should weigh all testimony with equal care; should recognize that honest testimony can vary, and even be in conflict, as a result of different observations and recollections; should resolve such differences as best it can; should recognize that no boat or competitor is guilty until a breach of a rule has been established to the satisfaction of the protest committee; and should keep an open mind until all the evidence has been heard as to whether a boat or competitor has broken a rule.

M1 PRELIMINARIES (may be performed by race office staff)

- Receive the protest or request for redress.
- Note on the form the time the protest or request is delivered and the protest time limit.
- Inform each party, and the race committee when necessary, when and where the hearing will be held.

M2 BEFORE THE HEARING

Make sure that

- each party has a copy of or the opportunity to read the protest or request for redress and has had reasonable time to prepare for the hearing.
- no member of the protest committee is an interested party. Ask the parties whether they object to any member. When redress is requested under rule 62.1(a), a member of the race committee should not be a member of the protest committee.
- only one person from each boat (or party) is present unless an interpreter is needed.
all boats and people involved are represented. If they are not, however, the committee may proceed under rule 63.3(b).

- boats’ representatives were on board when required (rule 63.3(a)). When the parties were in different races, both organizing authorities must accept the composition of the protest committee (rule 63.8). In a measurement protest obtain the current class rules and identify the authority responsible for interpreting them (rule 64.3(b)).

### M3 THE HEARING

#### M3.1 Check the validity of the protest or request for redress.
- Are the contents adequate (rule 61.2 or 62.1)?
- Was it delivered in time? If not, is there good reason to extend the time limit (rule 61.3 or 62.2)?
- When required, was the protestor involved in or a witness to the incident (rule 60.1(a))? 
- When necessary, was ‘Protest’ hailed and, if required, a red flag displayed correctly (rule 61.1(a))?
- When the flag or hail was not necessary, was the protestee informed?
- Decide whether the protest or request for redress is valid (rule 63.5).
- Once the validity of the protest or request has been determined, do not let the subject be introduced again unless truly new evidence is available.

#### M3.2 Take the evidence (rule 63.6).
- Ask the protestor and then the protestee to tell their stories. Then allow them to question one another. In a redress matter, ask the party to state the request.
- Invite questions from protest committee members.
- Make sure you know what facts each party is alleging before calling any witnesses. Their stories may be different.
- Allow anyone, including a boat’s crew, to give evidence. It is the party who normally decides which witnesses to call, although the protest committee may also call witnesses (rule
63.6). The question asked by a *party* ‘Would you like to hear N?’ is best answered by ‘It is your choice.’

- Call each *party*’s witnesses (and the protest committee’s if any) one by one. Limit *parties* to questioning the witness(es) (they may wander into general statements).
- Invite the protestee to question the protestor’s witness first (and vice versa). This prevents the protestor from leading his witness from the beginning.
- Allow a member of the protest committee who saw the incident to give evidence (rule 63.6) but only in the presence of the *parties*. The member may be questioned and may remain in the room (rule 63.3(a)).
- Try to prevent leading questions or hearsay evidence, but if that is impossible discount the evidence so obtained.
- Accept written evidence from a witness who is not available to be questioned only if all *parties* agree. In doing so they forego their rights to question that witness (rule 63.6).
- Ask one member of the committee to note down evidence, particularly times, distances, speeds, etc.
- Invite first the protestor and then the protestee to make a final statement of her case, particularly on any application or interpretation of the *rules*.

**M3.3** Find the facts (rule 63.6).
- Write down the facts; resolve doubts one way or the other.
- Call back *parties* for more questions if necessary.
- When appropriate, draw a diagram of the incident using the facts you have found.

**M3.4** Decide the protest or request for redress (rule 64).
- Base the decision on the facts found (if you cannot, find some more facts).
- In redress cases, make sure that no further evidence is needed from boats that will be affected by the decision.
M3.5 Inform the *parties* (rule 65).

- Recall the *parties* and read them the facts found, conclusions and *rules* that apply, and the decision. When time presses it is permissible to read the decision and give the details later.
- Give any *party* a copy of the decision on request. File the *protest* or request for redress with the committee records.

M4 REOPENING A HEARING (rule 66)

When a *party*, within the time limit, has asked for a hearing to be reopened, hear the *party* making the request, look at any video, etc., and decide whether there is any material new evidence that might lead you to change your decision. Decide whether your interpretation of the *rules* may have been wrong; be open-minded as to whether you have made a mistake. If none of these applies refuse to reopen; otherwise schedule a hearing.

M5 GROSS MISCONDUCT (rule 69)

M5.1 An action under this rule is not a *protest*, but the protest committee gives its allegations in writing to the competitor before the hearing. The hearing is conducted under the same rules as other hearings but the protest committee must have at least three members (rule 69.1(b)). Use the greatest care to protect the competitor’s rights.

M5.2 A competitor or a boat cannot protest under rule 69, but the protest form of a competitor who tries to do so may be accepted as a report to the protest committee, which can then decide whether or not to call a hearing.

M5.3 When it is desirable to call a hearing under rule 69 as a result of a Part 2 incident, it is important to hear any boat-vs.-boat *protest* in the normal way, deciding which boat, if any, broke which *rule*, before proceeding against the competitor under this rule.

M5.4 Although action under rule 69 is taken against a competitor, not a boat, a boat may also be penalized (rule 69.1(b)).

M5.5 The protest committee may warn the competitor (rule 69.1(b)(1)), in which case no report is to be made (rule 69.1(c)). When a penalty is imposed and a report is made as required by rule 69.1(c) or 69.1(e), it may be helpful to recommend whether or not further action should be taken.
Appendix M  
RECOMMENDATIONS FOR PROTEST COMMITTEES

M6  APPEALS (rule 70 and Appendix F)

When decisions can be appealed,

- retain the papers relevant to the hearing so that the information can easily be used for an appeal. Is there a diagram endorsed or prepared by the protest committee? Are the facts found sufficient? (Example: Was there an overlap? Yes or No. ‘Perhaps’ is not a fact found.) Are the names of the protest committee members and other important information on the form?

- comments by the protest committee on any appeal should enable the appeals committee to picture the whole incident clearly; the appeals committee knows nothing about the situation.

M7  PHOTOGRAPHIC EVIDENCE

Photographs and videotapes can sometimes provide useful evidence but protest committees should recognize their limitations and note the following points:

- The party producing the photographic evidence is responsible for arranging the viewing.

- View the tape several times to extract all the information from it.

- The depth perception of any single-lens camera is very poor; with a telephoto lens it is non-existent. When the camera views two overlapped boats at right angles to their course, it is impossible to assess the distance between them. When the camera views them head on, it is impossible to see whether an overlap exists unless it is substantial.

- Ask the following questions:
  - Where was the camera in relation to the boats?
  - Was the camera’s platform moving? If so in what direction and how fast?
  - Is the angle changing as the boats approach the critical point? Fast panning causes radical change.
  - Did the camera have an unrestricted view throughout?
APPENDIX N
INTERNATIONAL JURIES

See rules 70.5 and 91(b). This appendix shall not be changed by sailing instructions or national prescriptions.

N1 COMPOSITION, APPOINTMENT AND ORGANIZATION

N1.1 An international jury shall be composed of experienced sailors with excellent knowledge of the racing rules and extensive protest committee experience. It shall be independent of and have no members from the race committee, and be appointed by the organizing authority, subject to approval by the national authority if required (see rule 91(b)), or by the ISAF under rule 89.2(b).

N1.2 The jury shall consist of a chairman, a vice chairman if desired, and other members for a total of at least five. A majority shall be International Judges. The jury may appoint a secretary, who shall not be a member of the jury.

N1.3 No more than two members (three, in Groups M, N and Q) shall be from the same national authority.

N1.4 (a) The chairman of a jury may appoint one or more panels composed in compliance with rules N1.1, N1.2 and N1.3. This can be done even if the full jury is not composed in compliance with these rules.

(b) The chairman of a jury of fewer than ten members may appoint two or three panels of at least three members each, of which the majority shall be International Judges. Members of each panel shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities. If dissatisfied with a panel’s decision, a party is entitled to a hearing by a panel composed in compliance with rules N1.1, N1.2 and N1.3, except concerning the facts found, if requested within the time limit specified in the sailing instructions.

N1.5 When a full jury, or a panel, has fewer than five members, because of illness or emergency, and no qualified replacements are available, it remains properly constituted if it consists of at least three members
and if at least two of them are International Judges. When there are three or four members they shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities.

N1.6 When the national authority’s approval is required for the appointment of an international jury (see rule 91(b)), notice of its approval shall be included in the sailing instructions or be posted on the official notice board.

N1.7 If the jury or a panel acts while not properly constituted, its decisions may be appealed.

N2 RESPONSIBILITIES

N2.1 An international jury is responsible for hearing and deciding all protests, requests for redress and other matters arising under the rules of Part 5. When asked by the organizing authority or the race committee, it shall advise and assist them on any matter directly affecting the fairness of the competition.

N2.2 Unless the organizing authority directs otherwise, the jury shall decide

(a) questions of eligibility, measurement or boat certificates; and

(b) whether to authorize the substitution of competitors, boats or equipment when a rule requires such a decision.

N2.3 The jury shall also decide matters referred to it by the organizing authority or the race committee.

N3 PROCEDURES

N3.1 Decisions of the jury, or of a panel, shall be made by a simple majority vote of all members. When there is an equal division of votes cast, the chairman of the meeting may cast an additional vote.

N3.2 When it is considered desirable that some members not participate in discussing and deciding a protest or request for redress, and no qualified replacements are available, the jury or panel remains properly constituted if at least three members remain and at least two of them are International Judges.
N3.3 Members shall not be regarded as *interested parties* (see rule 63.4) by reason of their nationality.

N3.4 If a panel fails to agree on a decision it may adjourn, in which case the chairman shall refer the matter to a properly constituted panel with as many members as possible, which may be the full jury.
APPENDIX P
SPECIAL PROCEDURES FOR RULE 42

All or part of this appendix applies only if the sailing instructions so state.

P1 SIGNALLING A PENALTY
A member of the protest committee or its designated observer who sees a boat breaking rule 42 may penalize her by, as soon as reasonably possible, making a sound signal, pointing a yellow flag at her and hailing her sail number, even if she is no longer racing. A boat so penalized shall not be penalized a second time under rule 42 for the same incident.

P2 PENALTIES
P2.1 First Penalty
When a boat is first penalized under rule P1 her penalty shall be a Two-Turns Penalty under rule 44.2. If she fails to take it she shall be disqualified without a hearing.

P2.2 Second Penalty
When a boat is penalized a second time during the regatta, her penalty shall be to promptly retire from the race. If she fails to take it she shall be disqualified without a hearing and her score shall not be excluded.

P2.3 Third and Subsequent Penalties
When a boat is penalized a third or subsequent time during the regatta, she shall promptly retire from the race. If she does so her penalty shall be disqualification without a hearing and her score shall not be excluded. If she fails to do so her penalty shall be disqualification without a hearing from all races in the regatta, with no score excluded, and the protest committee shall consider calling a hearing under rule 69.1(a).
P3  POSTPONEMENT, GENERAL RECALL OR ABANDONMENT

If a boat has been penalized under rule P1 and the race committee signals a postponement, general recall or abandonment, the penalty is cancelled, but it is still counted to determine the number of times she has been penalized during the regatta.

P4  REDRESS LIMITATION

A boat shall not be given redress for an action by a member of the protest committee or its designated observer under rule P1 unless the action was improper due to a failure to take into account a race committee signal or a class rule.

P5  FLAGS O AND R

(a) If the class rules permit pumping, rocking and ooching when the wind speed exceeds a specified limit, the race committee may signal that those actions are permitted, as specified in the class rules, by displaying flag O before or with the warning signal. The flag shall be removed at the starting signal.

(b) If the wind speed exceeds the specified limit after the starting signal, the race committee may display flag O with repetitive sounds at a mark to signal to a boat that the actions are permitted, as specified in the class rules, after she has passed the mark.

(c) If the wind speed becomes less than the specified limit after flag O was displayed, the race committee may display flag R with repetitive sounds at a mark to signal to a boat that rule 42, as changed by the class rules, applies after she has passed the mark.

DEFINITIONS

A term used as stated below is shown in italic type or, in preambles, in bold italic type.

Abandon A race that a race committee or protest committee abandons is void but may be resailed.

Clear Astern and Clear Ahead; Overlap One boat is clear astern of another when her hull and equipment in normal position are behind a line abeam from the aftermost point of the other boat’s hull and equipment in normal position. The other boat is clear ahead. They overlap when neither is clear astern. However, they also overlap when a boat between them overlaps both. These terms always apply to boats on the same tack. They do not apply to boats on opposite tacks unless rule 18 applies or both boats are sailing more than ninety degrees from the true wind.

Fetching A boat is fetching a mark when she is in a position to pass to windward of it and leave it on the required side without changing tack.

Finish A boat finishes when any part of her hull, or crew or equipment in normal position, crosses the finishing line in the direction of the course from the last mark, either for the first time or after taking a penalty under rule 44.2 or, after correcting an error made at the finishing line, under rule 28.1.

Interested Party A person who may gain or lose as a result of a protest committee’s decision, or who has a close personal interest in the decision.

Keep Clear One boat keeps clear of another if the other can sail her course with no need to take avoiding action and, when the boats are overlapped on the same tack, if the leeward boat can change course in both directions without immediately making contact with the windward boat.

Leeward and Windward A boat’s leeward side is the side that is or, when she is head to wind, was away from the wind. However, when sailing by the lee or directly downwind, her leeward side is the side on which her mainsail lies. The other side is her windward side. When two boats on the same tack overlap, the one on the leeward side of the other is the leeward boat. The other is the windward boat.

Mark An object the sailing instructions require a boat to leave on a specified side, and a race committee boat surrounded by navigable water from
DEFINITIONS

which the starting or finishing line extends. An anchor line or an object attached temporarily or accidentally to a mark is not part of it.

Mark-Room  Room for a boat to sail to the mark, and then room to sail her proper course while at the mark. However, mark-room does not include room to tack unless the boat is overlapped to windward and on the inside of the boat required to give mark-room.

Obstruction  An object that a boat could not pass without changing course substantially, if she were sailing directly towards it and one of her hull lengths from it. An object that can be safely passed on only one side and an area so designated by the sailing instructions are also obstructions. However, a boat racing is not an obstruction to other boats unless they are required to keep clear of her or, if rule 22 applies, avoid her. A vessel under way, including a boat racing, is never a continuing obstruction.

Overlap  See Clear Astern and Clear Ahead; Overlap.

Party  A party to a hearing: a protestor; a protestee; a boat requesting redress or for which redress is requested by the race committee or considered by the protest committee under rule 60.3(b); a race committee acting under rule 60.2(b); a boat or a competitor that may be penalized under rule 69.1; a race committee or organizing authority in a hearing under rule 62.1(a).

Postpone  A postponed race is delayed before its scheduled start but may be started or abandoned later.

Proper Course  A course a boat would sail to finish as soon as possible in the absence of the other boats referred to in the rule using the term. A boat has no proper course before her starting signal.

Protest  An allegation made under rule 61.2 by a boat, a race committee or a protest committee that a boat has broken a rule.

Racing  A boat is racing from her preparatory signal until she finishes and clears the finishing line and marks or retires, or until the race committee signals a general recall, postponement or abandonment.

Room  The space a boat needs in the existing conditions while manoeuvring promptly in a seamanlike way.

Rule  (a)  The rules in this book, including the Definitions, Race Signals, Introduction, preambles and the rules of relevant appendices, but not titles;
DEFINITIONS

(b) ISAF Regulation 19, Eligibility Code; Regulation 20, Advertising Code; Regulation 21, Anti-Doping Code; and Regulation 22, Sailor Classification Code;

(c) the prescriptions of the national authority, unless they are changed by the sailing instructions in compliance with the national authority’s prescription, if any, to rule 88;

(d) the class rules (for a boat racing under a handicap or rating system, the rules of that system are ‘class rules’);

(e) the notice of race;

(f) the sailing instructions; and

(g) any other documents that govern the event.

Start  A boat starts when, having been entirely on the pre-start side of the starting line at or after her starting signal, and having complied with rule 30.1 if it applies, any part of her hull, crew or equipment crosses the starting line in the direction of the first mark.

Tack, Starboard or Port  A boat is on the tack, starboard or port, corresponding to her windward side.

Zone  The area around a mark within a distance of three hull lengths of the boat nearer to it. A boat is in the zone when any part of her hull is in the zone.

Windward  See Leeward and Windward.
