The following amendments to the Class Rules have been approved to be effective 1st January 2017

**Current Rule:**

None

**Amended Rule:**

Add new rules:

**G.2.2** The **tack point** of the **headsail** is the intersection of the luff extended as necessary, and the line through the lowest point of the **sail** at 90° to the luff (see drawing in G5).

**G.2.3** The **clew point** of the **headsail** is the intersection of the leech extended as necessary and the extension of the **foot**. If needed, a batten with even flexibility characteristics (max. length of batten = 500mm) may be used. For the purpose of this rule the shape of the foot is controlled by the foot irregularity, Rule (G.5.2 (f))

**Current Rule**
