Appendix S – Standard Sailing Instructions

Club and Race Official Requests:

1. Include trapezoid courses
2. Include the existing courses with (a) no offset mark, (b) no gate, (c) finishing line on the opposite side of the signal boat, (d) starting and finishing line in the middle of the gate, etc. We need to discuss display options and course designations.
3. Add flag D? A boat shall not leave the shore until flag D is displayed. The warning signal will be made not less than 60 minutes after flag D is displayed or not before the scheduled time, whichever is the later.
4. When a visual signal is displayed over a fleet(s) or course(s) flag, the signal applies only to that fleet(s) or course(s). This changes Race Signals preamble.

Jim Capron

September 2018
