Offshore Special Regulations – 4.02

Hull Markings

A submission from the Chairman of the Special Regulation Subcommittee

Proposals

4.02.2

4.02.2 All Multihulls and Monohulls with moveable ballast shall show on the underside, where they can be seen when inverted, an solid area of highly-visible colour (e.g. Day-Glo pink, orange, or yellow) of at least $1m^2$.

4.02.3 Each yacht is recommended to show on each underwater appendage an area of highly-visible colour.

Current Position

As above

Reason

To increase the visibility of an upturned canting keel boat.
