

Offshore Special Regulations

OSR 5.07.1 Survival Equipment

A submission from FFVoile

Purpose or Objective

To require immersion suits in Cat MoMu1

Proposal

Add Cat MoMu1 in OSR 5.07.1

SECTION 5 – PERSONAL EQUIPMENT

Each crew member shall have:

	5.07	Survival Equipment
MoMu0, 1	5.07.1	An immersion suit (attention is drawn to EN ISO 15027-1 constant wear suits, and EN ISO15027-2 abandonment suits and the LSA Code Chapter II, 2.3)

Current position

As above, (MoMu0).

Reasons

OSR 2.01.2 defined Cat 1 with the following words: "capable of withstanding heavy storms and prepared to meet serious emergencies without the expectation of outside assistance".

- 1 The best way to wait assistance without being in hypothermia is to wear an immersion suit
 - 2 In Transatlantic races, the water's temperature can be low and the weather bad
-
