Offshore Special Regulations

Appendix G – Training

7  ISAF/World Sailing Approved Training Courses and Trainee Certification

A submission from the Chairman on behalf of the Training Working Party.

Purpose or Objective

Update the Appendix, which was first published in 2002.

Proposal

Amend to read:

“ 7.1.1 The status of “ISAF/World Sailing Approved” together with authority to use the ISAF/World Sailing logo may only be awarded to a training course by an ISAF/World Sailing MNA (Member National Authority) who must be satisfied that the course delivers training as required by Special Regulation 6.01 and 6.02.

7.1.2 A grant of approved status carries with it a duty on the MNA to ensure that the course provider continues to deliver appropriate training over the course of time. An annual review may be appropriate for this purpose.

7.1.3 The MNA must remove approved status from the course provider if and when it judges this necessary.

7.2 It is not necessary for a training course to follow Appendix G Model Training Course in order to receive approval as in 7.1 above. The overriding requirement is that the course must deliver the training required by Special Regulation 6.01 and 6.02.

7.2 It is not necessary for a training course to follow Appendix G Model Training Course in order to receive approval as in 7.1 above. The overriding requirement is that the course must deliver the training required by Special Regulation 6.01”

Reasons

Clarification. OSR 6.01 does not specify what the training topics should be. See submission SR23-17-TrainingTopics.
