

Offshore Special Regulations

Appendix G – Training – C.6 Man Overboard

A submission from the Chairman on behalf of the Training Working Party.

Purpose or Objective

Update the Appendix, which was first published in 2002.

Proposal

Amend to read:

6.2 Recovery

- .1 well-drilled routine (~~see Special Regulations Appendix D~~)
- .2 “Mayday” on radio is valid ~~if necessary~~
- .3 quickly accessible hoisting rig
- .4 value of horizontal lift and retention of horizontal position
- .5 procedure and team ready to re-clothe, re-warm and check recovered person for injury, advising shore if necessary
- .6 use of whistle, SOLAS-type lifejacket light, strobe light.

Current Position

As above.

Reason

In 2016 The appendices were renamed and the 2016 Appendix D – Man Overboard -Quick Stop and Lifesling was deleted).
