Offshore Special Regulations 4.05.3

Fireblanks

A submission from the Deutscher Segler-Verband (GER)

Proposal
Make the “fire blanket, adjacent to every cooking device with an open flame”, which is required for Cat MoMu 0 a requirement for all Categories where cooking facilities according to OSR 3.20.1 are needed. (MoMU1, 2, 3)

Current Position
As above

Reason
Inexpensive, easy to use and very effective way of extinguishing a flame without the need to blast the powder from a fire extinguisher through the boat.
